FIREFIGHTERS RECEIVED PARAMEDIC CERTIFICATION

# LFD IN THE COMMUNITY

## firehouse subs grant

Lakeland Fire Department secured a Critical Lifesaving Equipment thanks to a Firehouse Subs Public Safety Foundation grant. The Foundation recognized the need for new lifesaving equipment and awarded LFD a \$35,000 grant for the HURST Jaws of Life eDRAULIC Watertight Extrication Tools.

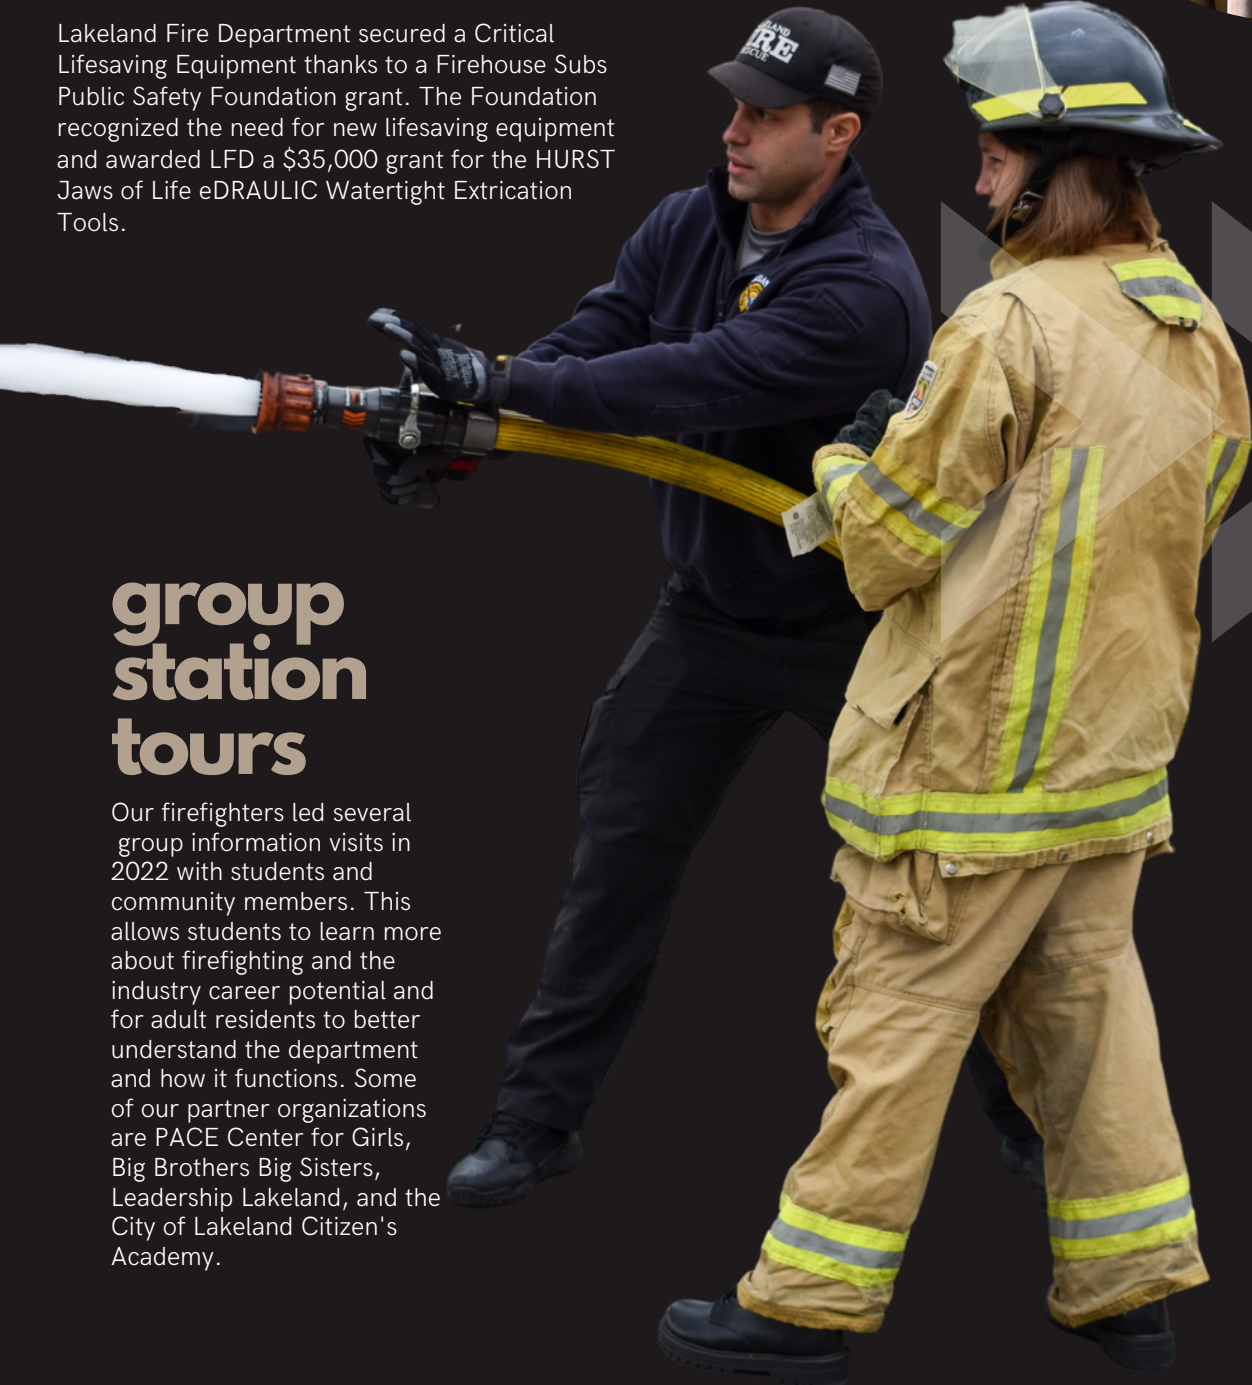

## firefighter training

Training is an integral part of a firefighter's job. The training division saw more than 35,000 collective company training hours.

## toy drive

The 2022 Toy Drive was once again a huge success. The toy drive benefits the Children's Home Society of Florida and the Dream Center of Lakeland, who distribute the collected gifts to Lakeland's children in need through their established networks.

## group station tours

Our firefighters led several group information visits in 2022 with students and community members. This allows students to learn more about firefighting and the industry career potential and for adult residents to better understand the department and how it functions. Some of our partner organizations are PACE Center for Girls, Big Brothers Big Sisters, Leadership Lakeland, and the City of Lakeland Citizen's Academy.

## truck or treat

The department's most prominent special event returned after two years suspension from COVID. The free and fun Halloween-themed family event hosted by Lakeland Fire Department and Lakeland Police Department estimated 6,500 attended in 2022.
