

Introducing

SPLASH & FLORA

LAKELAND'S VERY OWN WATER SAVING SUPERHEROES

Join our quest to learn
about Lakeland's
urban water cycle.

SPLASH

About Me: Hey there, I'm Splash, a water superhero! I'm dedicated to protecting our planet's most precious resource. I teach Lakeland the importance of water resources and battle evil Water Wasters and Filth Fiends. I do it all with the help of Flora!

Favorite Water Fact:
Did you know that we are drinking the same water that dinosaurs did?

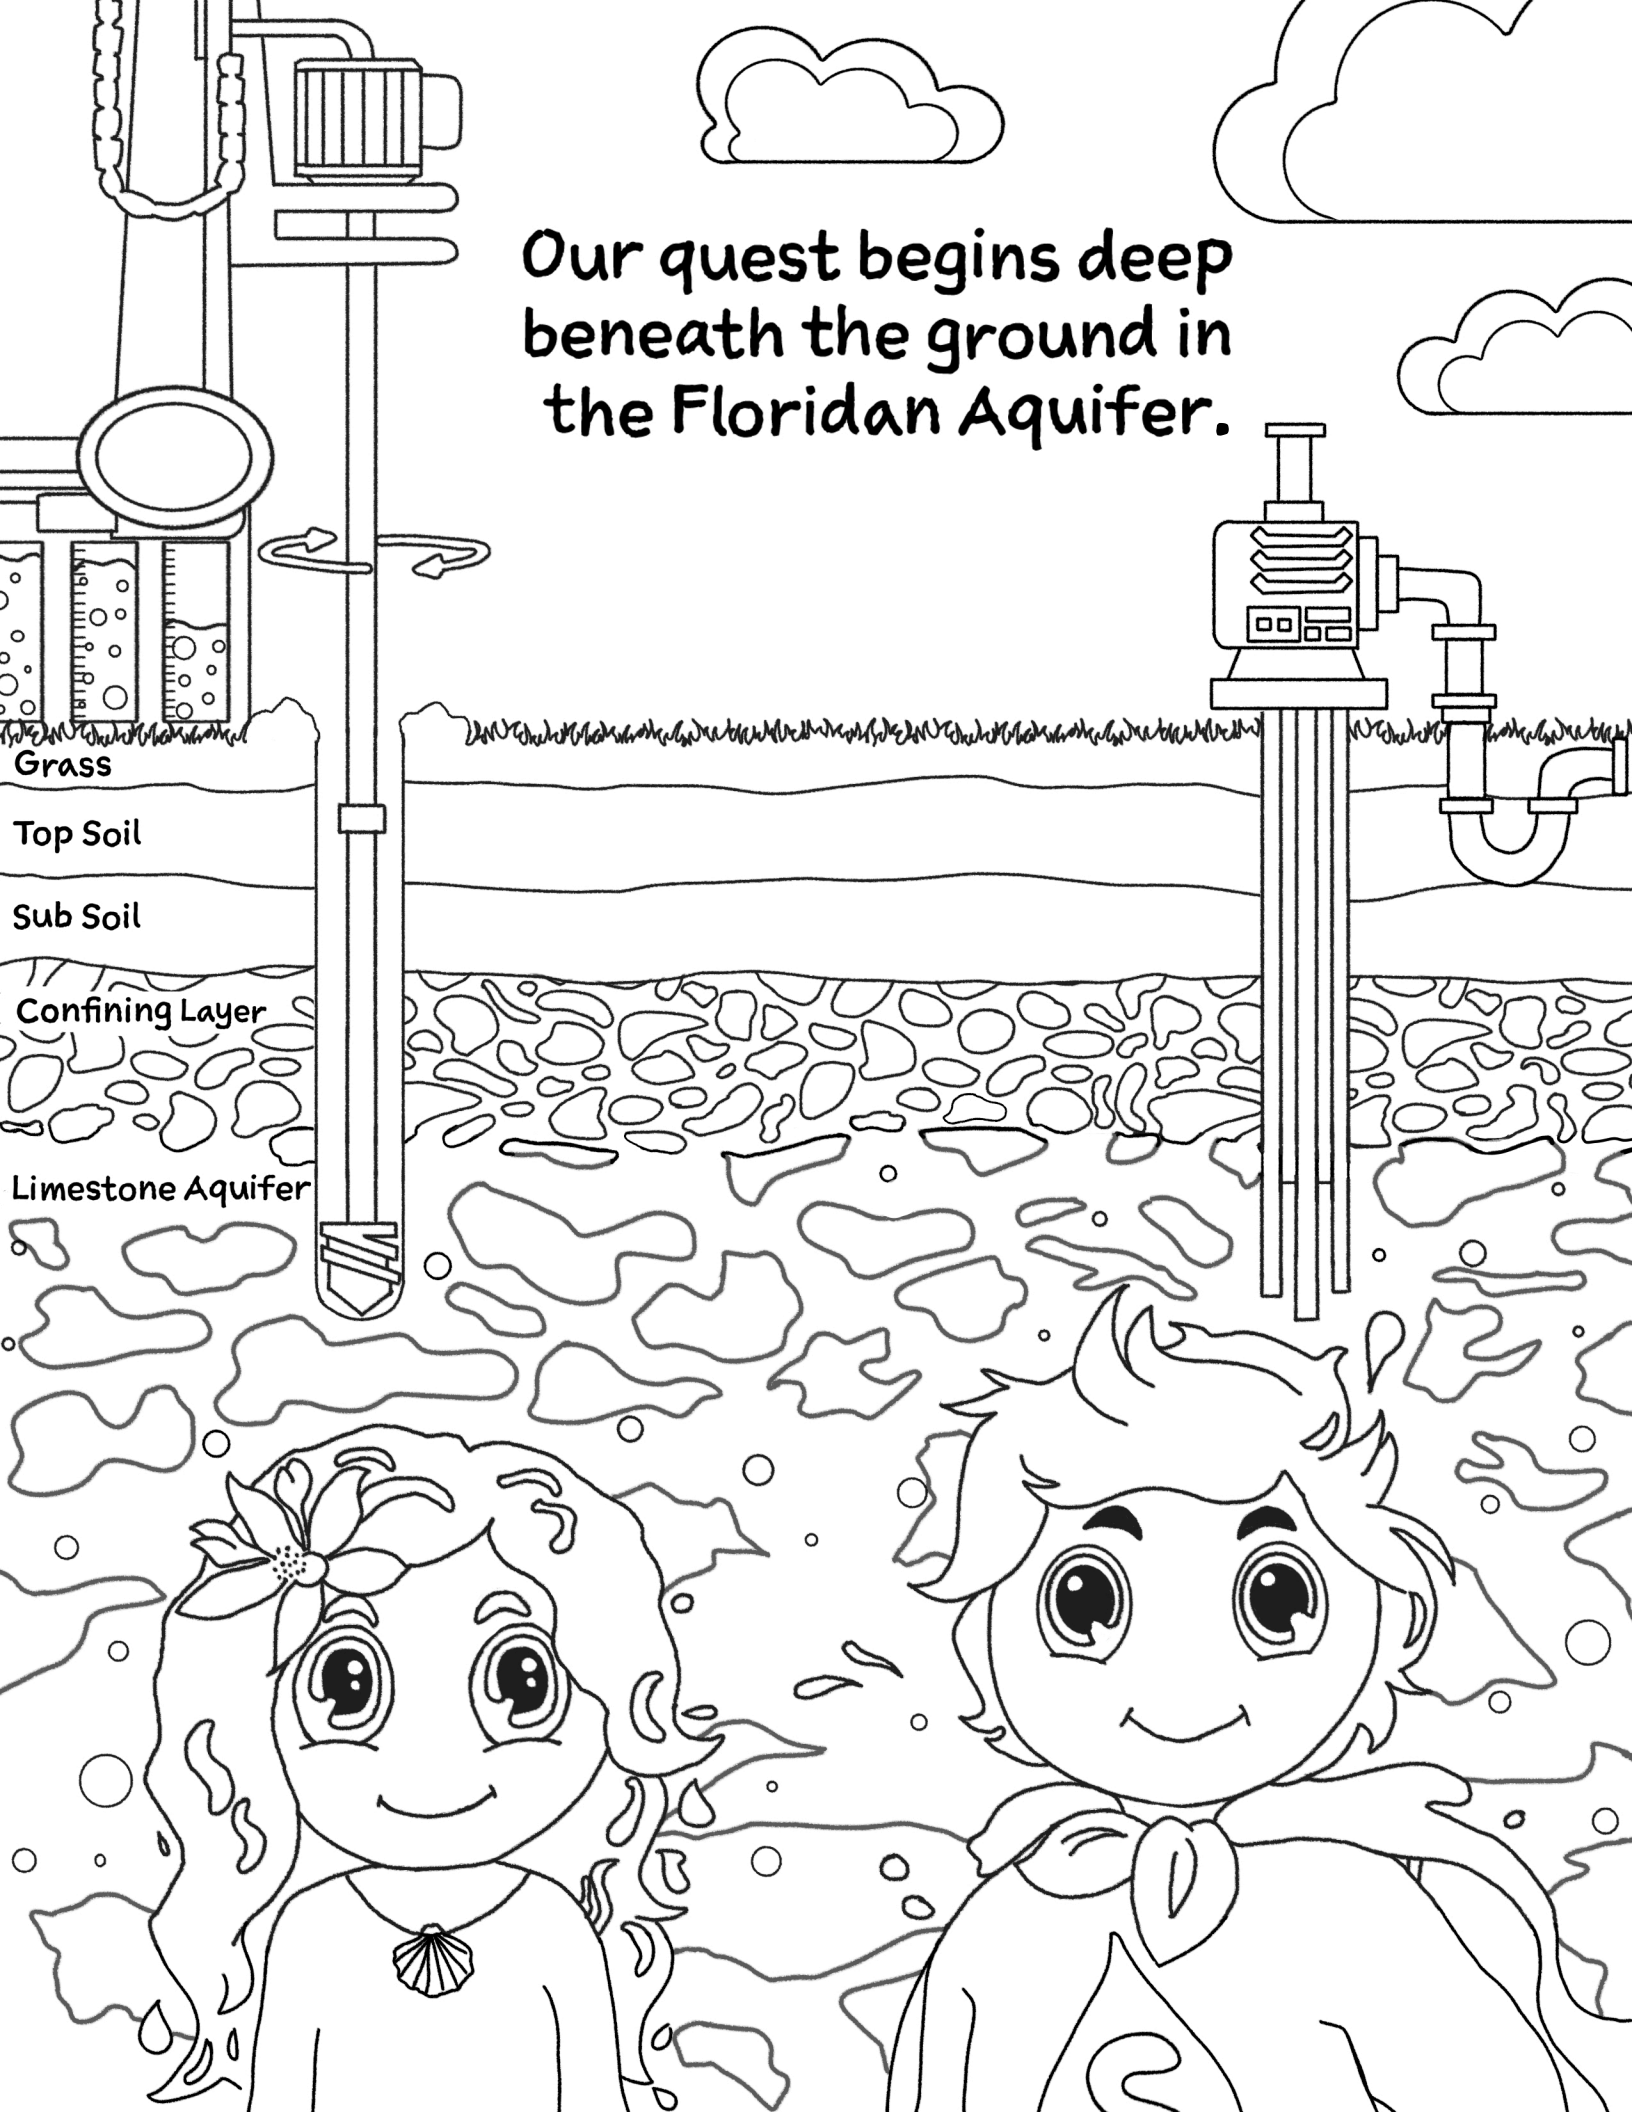

FLORA

About Me: Hey there! I'm Flora, the water-saving superhero with a passion for plants. I don't just have a green thumb, I'm green from head to toe! I'm on a mission to save the planet one drop at a time.

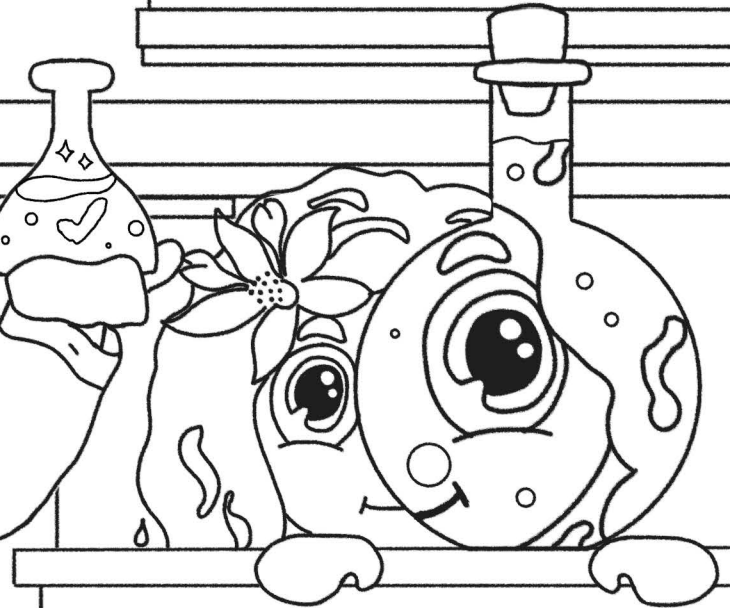

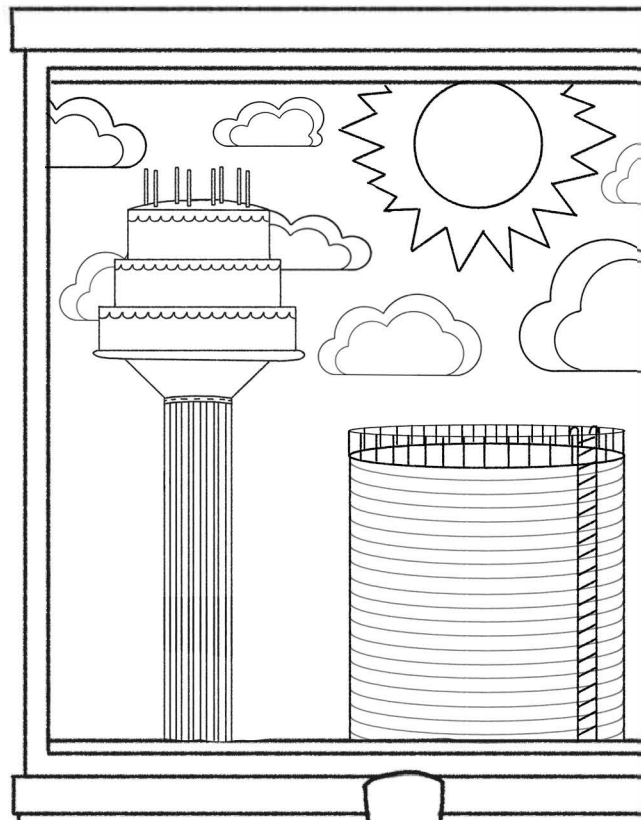

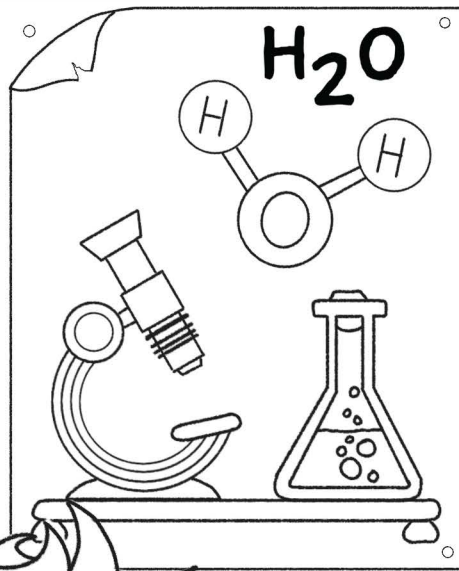

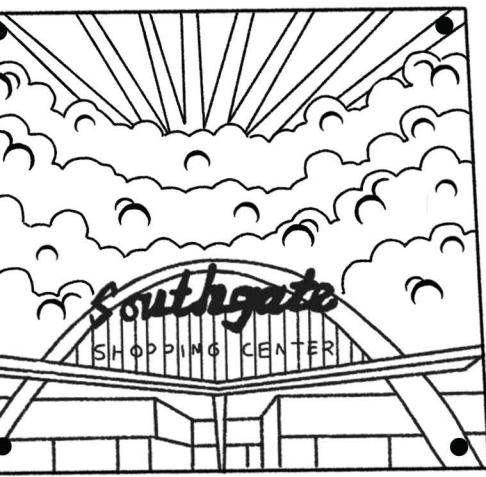

Pet Peeve: People that water their lawn when it's raining.

Our quest begins deep beneath the ground in the Floridan Aquifer.

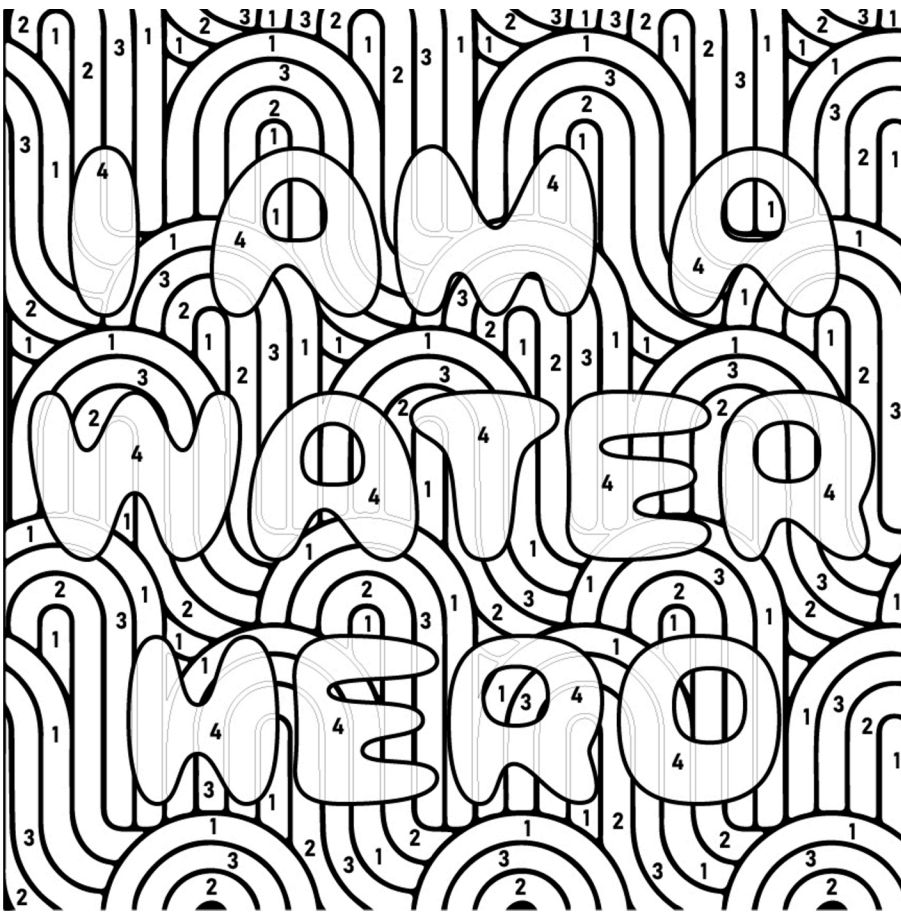

Grass
Top Soil
Sub Soil
Confining Layer
Limestone Aquifer

The water needs to be filtered and tested to ensure it's safe to drink before traveling to your home.

It's time to step up and become a WATER HERO like us!

Color the droplets with your favorite colors to decode the hidden message.

You can help us right in your own home. Find all the words and learn how you can help us save water!

UNDERGROUND HOME CYCLE SEVENWETLANDS

We need to make sure the water is nice and clean before we give it back to nature. It goes on a journey to the wastewater treatment plant and then to a wonderful place called Se7en Wetlands for final cleaning.

Help Splash and Flora go through the pipes and avoid the Filth Fiends!

The maze contains several environmental icons: a crocodile, a frying pan labeled "cooking oil", a box of "wipes", a "fatberg" (a blob with a face and the number 8), and a "START" sign with two children's faces. The maze leads to a "FINISH" sign with a crocodile icon.

The central instruction box contains the following text:

The water is almost home!
Help us get the clean water
back to its home
in the environment!

START

FINISH

 SE7EN
WETLANDS

Heron

Otter

Gar

Dragon Fly

Turtle

Alligator

Frog

The water made it back to nature! Our quest stops here, but the water journey never ends.

WATER UTILITIES

“Be a water hero, protect our water.”

MY PLEDGE

I AM A WATER HERO LIKE SPLASH AND FLORA!

Check the boxes with all the things you will do to save water:

- I will turn off the water while I brush my teeth.
- I will make sure my shower is 5 minutes or less.
- I will turn off the hose when I am done.
- If I hear a leak, I will tell an adult.
- I will not put flushable wipes down the toilet.
- I will also _____

My Name _____
