This month in Stomper's Neighborhood Insider we will be highlighting the Carolyn Drive Neighborhood!

Eric Struchko, the Neighborhood Watch Coordinator of Carolyn Drive took the initiative in his community and street to step up and be proactive against the crime that was occurring in the area. Eric Struchko had gone door to door to reach out to his neighbors in an effort to bring them together to stand up and take back their neighborhood through revitalizing it. Eric planned an interest meeting that was successful. The Carolyn Drive neighbors gathered together on September 18 and hosted a Neighborhood Watch Revitalization Meeting at Peterson Park in the Eagles Nest Pavilion. Congratulations to Eric Struchko and the Carolyn Drive neighbors as being the Lakeland Police Department's newest neighborhood watch community.

Each year the Lakeland Police Department prepares for the annual Cops for KIDS program as the holiday season approaches. This program helps to bring joy and presents to children in Lakeland. This year we are planning on reaching out to 200 Children to help provide them with presents for Christmas. On December 11th, families of the 200 children will be provided presents from the donations we receive, dinner, and pictures with Santa.

If you know of any families that would benefit from the program, applications will be going out on October 15th 2014.

There are a couple fundraisers that are coming up in the next month that we would appreciate your support by attending.
