

Downloading eBooks to a Kindle

Polk County Library Cooperative Collection

1. Visit our digital collection at <http://pclc.lib.overdrive.com> and find an eBook that is available for check out.
2. Click **add to MyCart** next to Kindle book, not add to MyCart next to Adobe EPUB eBook.
 - a. If you see an eBook with the option Kindle Book and add to MyCart it means the title is available for immediate checkout.
 - b. *However, if you see Kindle eBook Request an item it means this title is currently checked out. At this time you may request the item and you will receive an email alert when the title is available.*
3. After you have selected the proper format, you will then see your "My Cart" section.
4. Once you're ready, click **Proceed to Checkout**.
5. If applicable, our system will alert you to sign in with your library card and Pin number.
6. Push the **Confirm Checkout** button
7. Click the **Get for Kindle** button
8. You will then be redirected to the Amazon website and a screen with a summary of the eBook you checked out will show up.
9. Once you're ready to sync or download to your Kindle, click the **Get library book** button
10. At this time, Amazon may ask you for your Amazon account information. Please enter the login information you used to register your Kindle on their system.
11. After you have signed in, you will see the "Deliver To" section. Select which Kindle device or app you wish to send your eBook to.
12. Then, click the **Continue** button.
13. If your Kindle is connected to WiFi your eBook will show up on your Kindle homescreen. Note library ebooks do not download via 3G.
14. If your Kindle is not connected to WiFi, you can click the **Download now** button.
 - a. When the pop-up menu appears, select **Save**. This will save your Kindle Edition eBook to the default downloads location of your computer.
 - b. To begin reading, first make sure your Kindle is connected to this computer via USB. Then, copy the downloaded file to the "documents" folder of your Kindle. It will appear on your Home screen.

How to return a Kindle eBook early

1. An eBook checked out on the Kindle is returned through Amazon. Go to www.amazon.com, and from the Kindle menu on the right, select "Manage Your Kindle".
2. Sign in to your Amazon account.
3. Select the "Actions" dropdown menu next to the book you want to return. (Tip: the words "public library" will appear next to any library eBooks)
4. From the menu, select "Return this book".
5. Select "Yes" to return the book.

After you return the book, it will still show in Your Kindle Library list. To remove it from the list, select Actions again, and from the dropdown menu select "Delete"
