

SOLID WASTE ROLL-OFF SCHEDULE OF FEES

Same Day Service Guarantee

The City of Lakeland Solid Waste Management Division now offers roll-off service for high volume waste generators within the City's incorporated area.

The City offers various size roll-off containers that will best fit your specific need. We offer 20, 30 and 40 yard roll-offs and we can provide service if you have your own container.

We guarantee same day service without exception, if requests are received by 10:00 a.m. Our office hours are Monday through Friday, 7:00 a.m. to 4:00 p.m.

Our solid waste team looks forward to impressing you with our exceptional customer service. Please contact our office at (863) 834-8773 for more information.
