

## CITY OF LAKELAND POLICE OFFICERS' RETIREMENT SYSTEM

---

### *Guide to Online Benefit Calculator*

The following items listed below should help guide you through the Benefit Calculator:

- Go to [www.foster-foster.com](http://www.foster-foster.com)
- On the home page, click “Client Logon” button
- Your username:            (Normal) lakelandnorm            (Early) lakelandearly  
  Password:                pension
- Once the correct Username and Password are entered the next screen will provide Terms and Conditions. Please read through this page to understand that this calculator only provides an estimate of retirement benefits. When finished reading, click the “Accept” button
- The next screen contains fields for Members to enter specific information, as seen on the screen shot for the Test Retiree. (Remember, fields with an “\*” are required.)
- Also note the current effective Ordinance is shown at the bottom.
- Once all the information has been entered please click the “Submit” button.
- At this point a complete form of estimated benefits will appear on the right side of the screen. If required fields are left blank or coded incorrectly, an error message will appear instructing the user how to proceed.
- The printer button on the toolbar will produce a printable form of the information.
- You may make changes to the inputs to discover the impact on the estimated benefits. When the user is finished using the calculator, remember to “logout” of the session by clicking the “logout” button on right-hand side of the page.
