

2010 COMPREHENSIVE PLAN AMENDMENT CYCLE IMPORTANT NOTICE

Due to Statutory EAR-based Comprehensive Plan Amendment requirements and limited staff resources, there will be only one open cycle for City of Lakeland Comprehensive Plan Future Land Use Map (FLUM) Amendments in the year 2010. Application for FLUM amendments will be accepted in the Community Development office between January 15 – February 15, 2010 and reviewed for sufficiency in March. If you have questions about this matter, please contact us at 863-834-6011.

[Note: the Florida Hometown Democracy initiative has qualified to be on the November 2010 general election voter ballot; passage of this measure would take effect immediately and could significantly impact the frequency and ability to make changes to the future land use map of the Comprehensive Plan by requiring, for all subsequent Commission-approved Plan changes, a voter referendum on the change during the next scheduled general election.]
