SIDING CHECKLIST

Revised 6/13/2017

This checklist is provided to assist customers in submitting complete permit applications and plans, which smooths and speed the permit approval process. While the checklist is thorough, it is not exhaustive and does not apply to every permitted project type. **Contractors:** Please note that application for this type of permit must be made through eTRAKiT, with plans submitted through ePlan.

<input type="checkbox"/> Building Permit Application	Complete all information on the Building Permit Application in the spaces provided. If information requested does not apply to the construction being performed, insert "N/A" for "not applicable". For further information or questions on the completion of the Building Permit Application, contact the Permitting Division at 863-834-6012 or buildinginspection@lakelandgov.net .
<input type="checkbox"/> Owner/Builder Disclosure Statement	APPLICABLE TO OWNER/BUILDERS ONLY. An Owner/Builder Disclosure Statement is a legally binding oath required by Florida Statute, which you are required to execute in order to be issued a building permit in your name. The Disclosure Statement affirms your certification of compliance with the limitations imposed upon you by Florida Statute 489.503(6) in order to be exempt from professional licensure requirements as an Owner/Builder. For further information, contact the Building Inspection Division at 863-834-6012 or buildinginspection@lakelandgov.net .
<input type="checkbox"/> City of Lakeland Product Approval Checklist	If the Product Approval Checklist is on the plans, this form does not need to be submitted.
<input type="checkbox"/> Site Plans	If the siding is not going to be around the entire structure, draw an outline of the structure and indicate where the siding is to be installed. This assists the inspector when identifying the area of construction. This Site Plan Application may be used. If the siding is around the entire structure, no site plan is required. Setback measurements are NOT required.
<input type="checkbox"/> Notice of Commencement	Before you can obtain the first inspection, the Notice of Commencement Form must be submitted to the City of Lakeland Building Inspection Division.
