

VISITORS

are to follow the guidelines established by the Centers for Disease Control.

These include:

Social distancing

Personal hygiene

Sanitizing surfaces

Masks

All visitors are **REQUIRED** to wear masks while in City facilities.

The City has disposable masks available for visitors, if needed.

Screening

All individuals that enter a City facility will be screened each time they enter.

It is a non-contact screening of temperature and questions, while providing contact tracing in the event there is an exposure.
