

TOBY'S
WATER
WARRIORS

ACTIVITY BOOK

I'M TOBY

As a **WATER WARRIOR**,
I protect the **LAKES**, making sure
the water stays clean and full of life!

I'M OLLIE

And I protect the **RIVERS**, keeping
them beautiful and safe for all the
creatures who live there!

Together, we're the **WATER WARRIORS**, and we need
YOUR help to keep our lakes and rivers clean and safe.

**THE CITY OF LAKELAND GETS ITS NAME
FROM OUR BEAUTIFUL LAKES!**

Keeping our lakes clean isn't just good for the animals and plants—it's important to **EVERYONE** who calls Lakeland home.

THE CITY OF LAKELAND

LAKE GIBSON
490 acres

LAKE PARKER
2185 acres

LAKE BONNET
79 acres

LAKE MIRROR
18 acres

LAKE MORTON
40 acres

LAKE BONNY
249 acres

LAKE HOLLINGSWORTH
356 acres

DID YOU KNOW?
The City of Lakeland has **38** named lakes and several smaller lakes and ponds.

When it rains, trash and chemicals
RUN OFF into storm drains.

As **WATER WARRIORS**, it's our mission
to stop this pollution and keep our waters safe
for all living creatures!

**WHAT GOES DOWN THE DRAIN,
ENDS UP IN THE LAKE**

HELP OLLIE FIND THE TRASH

Spot the litter in the picture and circle it.
Then, draw a trash can to clean it up.

**DRAW A TRASH CAN
TO CLEAN IT UP**

DID YOU KNOW?

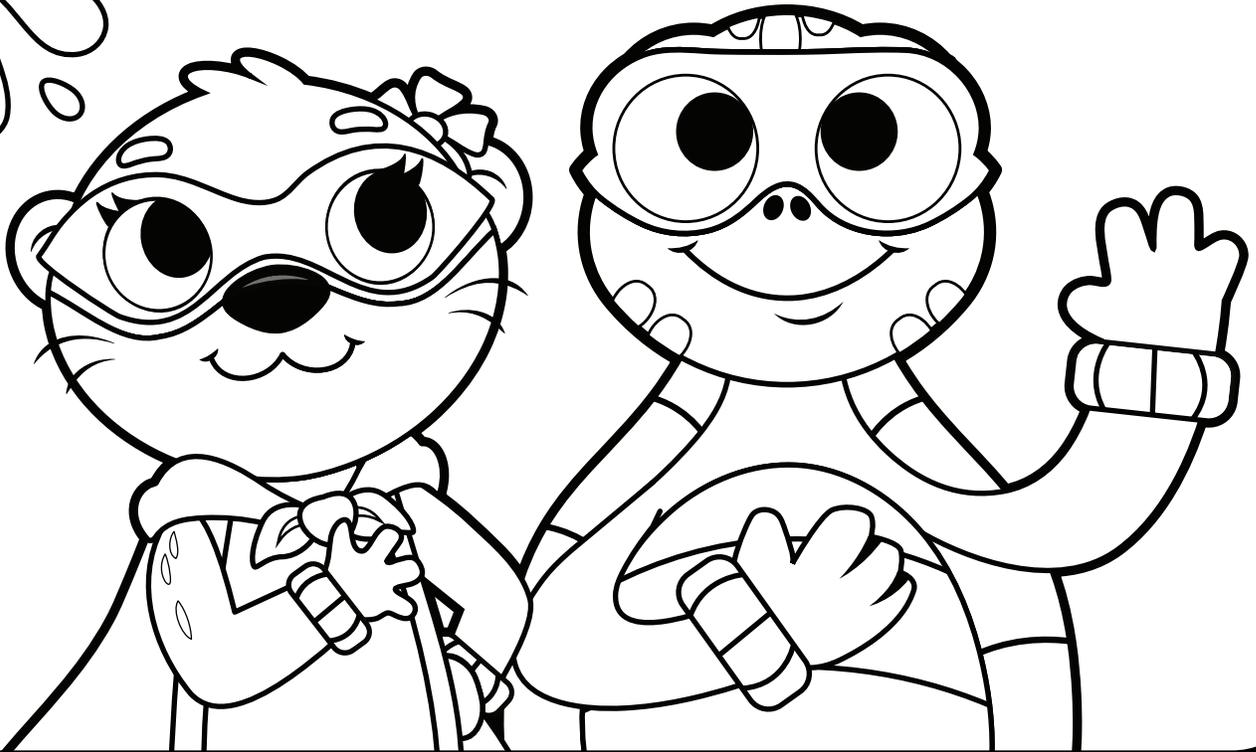

When litter invades storm drains, it ends up in our lakes and rivers, putting us all in danger! My friends and I can't live in dirty water. It's unsafe and can hurt us.

WATER WARRIOR PLEDGE

I pledge to be a **WATER WARRIOR**, true,
To keep **LAKES** and **RIVERS** clean and blue.
So turtles, fish, and all who play,
Have **SAFE, CLEAN WATER** every day.

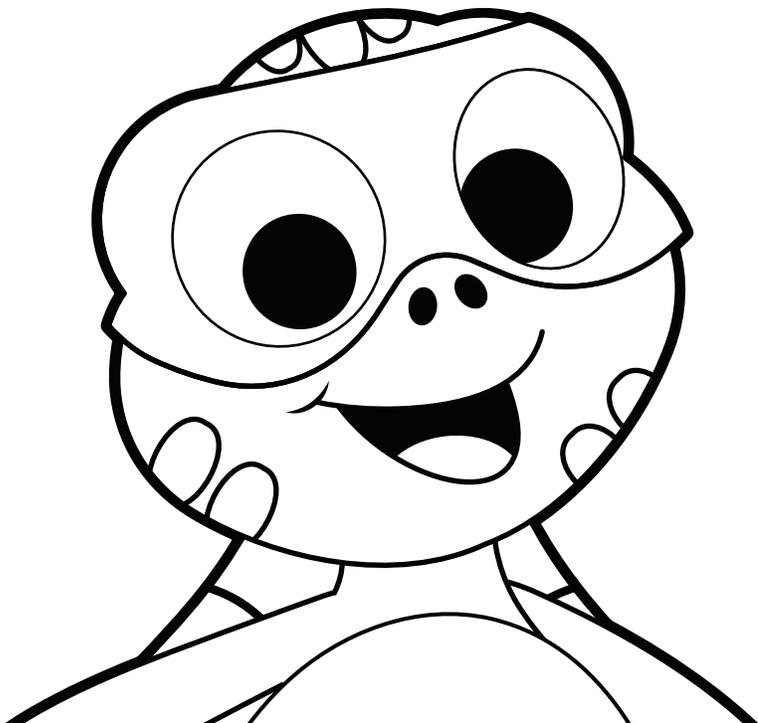

From littering I will **REFRAIN**
so **ONLY RAIN GOES DOWN THE DRAIN!**
I'll tell a grown-up if there's **POLLUTION** in sight,
And **SHARE** this pledge to **DO WHAT'S RIGHT.**

Keeping the streets clean is a way we can **PROTECT** our **LAKES** and **RIVERS**.

When **RAIN** falls, trash and chemicals can run off into storm drains, polluting **WATER** and damaging the **SOIL**. We should try to **REDUCE** waste, **REUSE** items, and **RECYCLE** properly. Each little step keeps our lakes and rivers healthy and makes **LAKELAND** a great place to live.
