Award Description	<p>CDBG-R funds will be used for hard development costs associated with activities that promote energy efficiency and conservation through rehabilitation or retrofitting of existing buildings.</p> <p>The City will target neighborhoods that have the highest proportion of low-income households and sub-standard structures. The proposed projects are located within the Mid-Town Community Redevelopment Area. These census tracts have been most impacted by the recession and the proposed projects will augment the CDBG projects that have been completed under the Rehabilitation Program. Residents in this area are low to moderate income households. The homes will be modified to incorporate energy efficiency features, therefore</p>
