This form may be submitted in lieu of all 3 inspections; Roof Deck, In Progress, and Final. This form is to be used ONLY if inspections cannot be scheduled during regular business hours. Any affidavit work is subject to an audit for verification of Florida Building Code compliance. This form must be uploaded into the permit's attachments in eTRAKiT, then the corresponding inspection scheduled. On the date of the inspection, the inspector will review the submitted affidavit for compliance. This affidavit will not be accepted after any failed visual roof deck or in progress inspection. An onsite final inspection will be required to assure the work has been corrected according to Florida Building Code.
