

MEMORANDUM

TO: MAYOR AND CITY COMMISSION
FROM: CITY ATTORNEY'S OFFICE
DATE: April 27, 2020
RE: **Proposed Amendment to CDBG/HOME Action Plan for CDBG-CV Funding and Emergency Rent Assistance**

Attached for your consideration is a proposed amendment to Lakeland's FY19-20 One-Year Action Plan to provide for the use of Community Development Block Grant (CDBG-CV) funding received under the Coronavirus Aid, Relief and Economic Security (CARES) Act, as well as for the reallocation of current FY19-20 CDBG funding.

On April 9, 2020, the City of Lakeland received notification of a CDBG-CV allocation of \$575,310 "...to be used to prevent, prepare for, and respond to the coronavirus (COVID-19)." Subsequent guidance received from HUD included an expedited process for application amendment, as well as a reduced public input period (from thirty days to five), and increased flexibility for use of CDBG funding. The attached Amendment budgets the special allocation of CDBG-CV funding and additional current year CDBG funding as follows:

Activity	CDBG	CDBG-CV	SHIP	TOTAL
Emergency Rent Relief Program	\$350,000	\$375,310	\$180,000	\$905,310
Public Services	-	\$75,000	-	\$75,000
Foreclosure Prevention Counseling	-	\$50,000	-	\$50,000
Administration	-	\$75,000	-	\$75,000
TOTAL	\$350,000	\$575,310	\$180,000	\$1,105,310

Though not officially a part of the Amendment, the Emergency Rent Relief Program will be bolstered by an additional \$180,000 in uncommitted FY20 State Housing Initiatives Partnership (SHIP) funding, bringing the total rent relief program budget to \$905,310. The proposed Emergency Rent Relief Program is similar, though not identical, to Polk County's recently launched program, with eligibility and assistance generally determined as follows:

- Must be City of Lakeland resident (County residents eligible for Polk County program);
- Must be delinquent on rent and/or public utilities payments;
- Must have verifiable loss of income related to COVID-19 impacts; e.g., job loss, health, etc.;
- Eligible household income capped at 80% of Area Median Income (AMI) adjusted for family size:

Household Size	1	2	3	4	5	6	7	8
80% AMI	\$32,950	\$37,650	\$42,350	\$47,050	\$50,850	\$54,600	\$58,350	\$62,150

- Maximum award of three (3) months' rent and/or utilities, or \$5,000, whichever occurs first.

Upon the City Commission's approval of the attached Amendment, staff expects to assist at least 181 tenant families to avoid eviction and homelessness, and anticipates accepting online applications beginning Monday, May 4, 2020.

It is recommended that the City Commission approve the attached Amendment to the FY19-20 Action Plan.

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Lakeland Community and Economic Development Department – Community Planning & Housing Division is awarded federal formula funds annually from the U. S. Department of Housing and Urban Development (HUD). As a condition of awarding these funds, the City is required each year to develop a one-year Action Plan that outlines the community development goals on which it will focus these funds. The Plan covers the period of October 1, 2019 through September 30, 2020. During this period, the City has been awarded the following Federal Formula funds:

- Community Development Block Grant (CDBG)
- HOME Investment Partnerships Program (HOME)
- Housing Opportunities for Persons with AIDS (HOPWA)

Programs and activities in this plan are intended to primarily benefit low and moderate income residents, neighborhoods with high concentrations of low and moderate income residents, and the city as a whole. HOPWA funds have been re-designated to the State of Florida Department of Health.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The 2019-2020 Action Plan includes the three goals outlines below, all targeting community needs related to affordable housing, suitable living environment and expand economic opportunities. The objectives and goals of the Five Year Consolidated Plan are to:

Objective #1: Provide affordable, safe, decent housing

Outcomes

- Preserve and maintain affordable housing by correcting substandard housing conditions;
- Increase homeownership opportunities for low to moderate income individuals through affordable homes construction and down payment assistance;
- Increase rental housing units through partnerships with the public housing authority and private sector investors; and

- Assist in the provision of persons and/or families at risk of becoming homeless and those homeless to obtain affordable housing.
- Provide rental assistance to households which also include utility assistance for persons affected by the national emergency declaration (on March 1, 2020) due to the COVID-19 health crisis.

Objective # 2: Establish and maintain a suitable living environment

Outcomes

- Improve safety and livability of neighborhoods;
- Improve housing and neighborhood conditions for homeowners and renters through code enforcement;
- Provide infrastructure improvements, including streets and sidewalks; and
- Increase access to quality facilities and services.

Objective # 3: Expand economic opportunities

Outcomes

- Empower low income persons to achieve self-sufficiency; and
- Assist in providing employment opportunities to low income persons in areas affected by those programs and activities covered by the Plan.
- As the City of Lakeland continues to work toward addressing the needs of the community, there continues to be a major demand for funding to address other national priorities. Like other HUD grant entitlements, the City of Lakeland is faced with providing more services to a growing population and a reduction in local and state resources.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

In the previous year, the City of Lakeland has shown major progress in its efforts to implement its programs. The City is in compliance with HUD regulations and continues to deliver housing and community development services in an efficient manner.

The City has successfully funded housing preservation and production through housing rehabilitation program by repairing homes and reconstructing homes on the same lot, if needed, with more energy efficient homes. The funds also assisted with Code Enforcement efforts and public services activities. The City has produced affordable housing units for first time homebuyers through its down payment assistance program.

The City has been successful in implementing these programs in the past and anticipates the continuation of such programs in the future. The City is strategically planning to make available vacant city owned buildable lots to produce more new construction housing. The City will use CDBG and HOME funds to make these programs worthy and to meet the goals and objectives identified in the Consolidated Plan.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Lakeland is required by the U.S. Department of Housing and Urban Development (HUD), pursuant to 24 CFR 91.105, to have a detailed Citizen Participation Plan that contains the City's policies and procedures for public involvement in the Consolidated Plan process and use of Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) funds. The citizen participation plan is an important part of the five-year Consolidated Plan and may be amended over the life of that plan.

The process of developing and implementing the Consolidated Plan is broken into several different phases: development, amendments, and performance reporting. The citizen participation process is integrated into each of these phases.

The City strives to keep all interested parties informed about the opportunities for involvement in each phase of the Consolidated Plan process, including opportunities to comment on all proposed Consolidated Plan submissions to HUD, any substantial amendments and the Consolidated Annual Performance and Evaluation Report (CAPER).

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

At the May 13, 2019 public meeting, there were twenty-five (25) community members in attendance as well as the District's Commissioner, and the Southeast District Commissioner. After the presentation, there were questions asked regarding the expenditures, city investment properties, city funding other departments within the city, low income qualifications and first-time home buyer information. Staff answered the questions accordingly.

On May 23, 2019, an Affordable Housing Advisory Committee meeting was held. The prior year accomplishments were reviewed and the projected use of funds was outlined. There were questions regarding the proposed budget items. Staff replied.

On June 17, 2019, a presentation was presented at the City Commission meeting. There were several questions regarding the amount of CDBG carryover; the CDBG deadline, use of funds for code

enforcement and cost of new construction homes. Staff answered the questions. One Commissioner complemented the Staff on the work being done in the low-income communities and adding the new strategy of new construction to the Action Plan.

New Projects proposed were presented to the City Commission during a Special Called meeting on April 27, 2020. The new projects are: (1) rental and/or utility assistance and; (2) mortgage foreclosure prevention and housing counseling.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments and views were accepted.

Agency Role	Name	Department/Agency
CDBG Administrator	LAKELAND	Community and Economic Development/ Community Planning & Housing Division
HOME Administrator	LAKELAND	Community and Economic Development/ Community Planning & Housing Division

Table 1 – Responsible Agencies

Narrative (optional)

The Community Planning & Housing Division – Housing Section of the City of Lakeland, under the general direction of the Community and Economic Development Department, will be the lead agency for preparing and implementing the Plan. The Housing Section coordinated its planning efforts among many local partner organizations to ensure that the goals outlined in the plan are met in a manner consistent with the stated performance measures.

As part of the Plan development process, input on housing, community development and support service needs, issues and initiatives were solicited from citizens and organizations. Community Planning & Housing Division has and will continue to create partnerships with non-profit developers, Community Housing Development Organizations (CHDOs), social service providers and other units of local government to expand the City's ability to provide affordable housing and community development programs.

The Community Planning & Housing Division also obtained information on housing and community development needs and issues through participation of housing advocacy groups and support service organizations, including the Affordable Housing Advisory Committee, Rebuild Polk After Disaster, Homeless Coalition of Polk County and Polk County Department of Health provided information on people with HIV/AIDS and lead based-paint poisoning, neighborhood associations, representatives of health and human services agencies. The City of Lakeland worked with the Lakeland Housing Authority and other housing and support service organizations on grant applications, plan compliance reviews and the certification of consistency process.

Public meetings and hearings were held to obtain input from citizens and community leaders in preparing the Action Plan for 2019-2020. A list of the organizations contacted is included in Table 2.

The Community Planning & Housing Division Staff also regularly attends and participates with groups such as Homeless Coalition of Polk County, City's Neighborhood Association Coalition Meetings and Mid-Town Community Redevelopment Agency to improve methods of delivery and initiate systematic improvements in certain service sectors.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The Community Planning & Housing Division, under the general direction of the Community and Economic Development Department will be the lead agency for preparing and implementing the Plan. The Community Planning & Housing Division coordinated its planning efforts among many local partner organizations to ensure that the goals outlined in the plan are met in a manner consistent with the stated performances measures.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City is committed to the close coordination of all its programs with other City departments, local nonprofit partners, housing developers and the private sector. Housing Staff will continue to participate in events and planning sessions of the local housing authority, private housing developers and health and social service agencies.

Staff participates in various community meetings, throughout the county, such as Permanent Supportive Housing workshop. Staff meets regularly with groups such as the Homeless Coalition of Polk County and Rebuild Polk After Disaster.

The City has an ongoing relationship with the Lakeland Housing Authority (LHA). The City also supports the LHA Self Sufficiency and Youth Build projects.

The City provides several health and social service agencies with CDBG and City general funds through the public/community service application process. The coordination and participation of the City are all efforts to improve service delivery and initiate systematic improvements for low income and underserved population.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Lakeland is an active partner with the Homeless Coalition of Polk County. The City’s strategy for addressing chronic homelessness includes working with providers of emergency housing, transitional housing, and permanent housing for the homeless in Lakeland. Exhibit 1 of the Continuum of Care may be viewed at www.polkhomeless.org.

The HCPC coordinates with homeless service providers to circulate information regarding grants and funding available through HUD for permanent housing and transitional living programs. The Coalition is the organizing agency in the development of Exhibit 1 of the Grant Application for the McKinney-Vento Act Funds. The Coalition has successfully sought grant funds for the Continuum of Care, State of Florida and the Department of Children and Families. The Coalition works closely with Department staff to further assist the homeless or persons threatened with homelessness. These grant funds have been distributed to member agencies that applied for funds through the Homeless Coalition of Polk County.

The City's Housing staff works closely with the Homeless Coalition's Director and is a member of the executive board committee. The City continues to participate as a member and on various committees in support of the Homeless Coalition of Polk County, Inc. Additional support to existing programs is given each year by awarding public services and community services grants to support the Coalition and local member organizations. The City awarded a RFP to consultant to strategize ways to assist the services delivered to the homeless population. The outcomes of the study have encouraged the City to budget funds for two community outreach persons and rapid re-housing rental assistance.

Lack of funds to end chronic homelessness is one of the largest barriers to success. The current inventory in the Lakeland and Polk County Continuums of Care show that the majority of emergency and transitional housing shelter beds for individuals are located in Lakeland. Similar statistics exist with regards to families, with the majority of the beds for families with children located in Lakeland.

In today's economy, HCPC and other agencies are seeing more families with children seeking affordable housing. The City in partnership with homeless providers, local housing authority and affordable housing developers seek methods of assisting extremely low and very low income people. Wages have not kept pace with the cost of housing and utilities for the families that are low income. The City partners with Lakeland Habitat, Keystone Challenge (CHDO) and the Lakeland Housing Authority and other affordable housing developers.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Lakeland does not receive or administer the Emergency Shelter Grant.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Narrative (optional)

Housing Division partners with many local non-profit agencies in the community. Housing Division also has a relationship with Polk County's Housing and Neighborhood Development Office, in its efforts to support the goals of the provision of affordable, safe and sanitary housing; a suitable living environment, and expanded economic opportunities for low and moderate income persons.

Housing Division is able to increase the awarded amounts to several non-profits agencies who provided direct services to persons/households affected by the COVID-19 virus such as service to the elderly, health care and mental health services.

Housing Division cooperates with other City departments to carry out the activities outlined in the Consolidated Plan. The City will continue to encourage relationships between other local municipalities, builders, developers, and advocates for low-income persons.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The City of Lakeland is required by the U.S. Department of Housing and Urban Development (HUD) pursuant to 24 CFR 91.105 to have a detailed Citizen Participation Plan that contains the City's policies and procedures for public involvement in the Consolidated Plan process and use of CDBG and HOME funds. The citizen participation plan is an important part of the five-year Consolidated Plan and may be amended over the life of that plan.

Amendments to Final Statement

The City may decide not to carry out an activity described in the final statement, or to include an activity not previously described, or to substantially change the purpose, scope, location or beneficiaries of an activity. Prior to the City Commission taking action to amend the final statement, the Community Development Department shall require a public notice to be published in a local newspaper at least seven days prior providing citizens with notice and the opportunity to comment on the proposed amendment. The City Commission shall consider citizen comments and, if appropriate, may modify the proposed changes. In the event the Commission approves an amendment, the Department shall publish a public notice of the amended final statement.

Substantial Change Criteria

A substantial change includes the cancellation of a previously approved activity, the addition of an activity not previously described, or a change in the purpose, scope, location or beneficiaries of an activity. A substantial change as described above requires an amendment to the City's final statement. The City shall provide sufficient public notice and shall hold a public hearing where citizens will be given an opportunity to provide comments.

Annual Performance Report

Each year HUD requires that the City compile a Consolidated Annual Performance and Evaluation Report (CAPER) within 90 days of the end of the fiscal year. The report provides programmatic and financial data on the progress with which the federal grant programs were implemented during the fiscal year.

At least fifteen days prior to submitting the report to HUD, the City will publish a public notice in the local newspaper announcing the availability of the report for review by the public. After the public comment period, the City shall consider any comments received and a summary of the comments shall be attached to the report when submitted to HUD.

Efforts made to Broaden Public Participation

The Community Planning & Housing Division Staff attends and participates in different community forums throughout the year, such as Public Works Week. This informal method allows the staff to inform the public and organizations of our mission. Other Public meetings were held to obtain input from all sectors of the community.

Currently, there are no local newspapers for the African American or Hispanic neighborhoods. Over 250 postcards were mailed to the local minority community, public service agencies, and neighborhood associations and distributed to all interested city departments to announce the public meeting on May 13, 2019. The notices were posted in the local newspaper regarding the public hearings at the City Commission meetings. Staff attends various meetings and service providers' activities to hear the needs and views of the community.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Lakeland is awarded an allocation of CDBG funds each year which, for 2019-2020 is \$935,111, and anticipates \$2,500 in program income. CDBG funds may be used for housing and community development activities including housing rehabilitation, public services, code enforcement and administration of the City's CDBG program.

The City was awarded an additional \$575,310 of CDBG-CV through the Coronavirus Aid, Relief and Economic Security (CARES) Act to be expended to assist persons, households and business impacted by the this national emergency. The funds will provide emergency relief in the form of rental and/or utility payments, foreclosure prevention and intervention counseling, and public services such as health care and mental health and senior programs.

The City of Lakeland also is awarded HOME funds in the amount of \$362,966 and anticipates an approximate amount of \$5,000 for program income. The City has added a new strategy with the development of new housing in addition to housing preservation. The amount anticipated for the State of Florida State Housing Initiatives Partnership (SHIP) program is a 20% increase for 2019-2020. There has been a considerable decrease in the state's funding over the past few years: In 2018, it was a 66% decrease from 2017. HOME and SHIP funds may be used for housing activities such as increasing homeownership, housing rehabilitation, new construction and administration of the City's HOME and SHIP programs and CHDO support. The city's General fund and the Community Redevelopment Agency (CRA) funds may be utilized for impact fee reimbursements/waiver for multi-family housing developments.

The CRA has also committed to expend funds for owner occupied rehabilitation, down payment assistance and development of new construction programs in targeted CRA areas.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City's Community Planning & Housing Division seeks other grant funding sources to leverage with existing state, federal and general funds. The City was awarded \$2,005,781 in 2009 and \$1,303,139 in 2011 from HUD's Neighborhood Stabilization Program (NSP) to acquire, rehabilitate and sell foreclosed and abandoned homes and Community Development Block Grant – Recovery to stimulate the suffering economy. Staff has closed out the NSP3 grant with approximately \$242,000 program income that was expended on eligible community development activities and working to close NSP1. The City will meet its HOME match requirements with the State funds available, local impact fees waivers and/reimbursement to non-profit developers, discounted homesteading lot program and other local contributions.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City Departments (Housing, Community & Economic and CRA) are coordinating efforts to create a list of buildable city-owned properties to address the new strategy of new construction in this plan.

Discussion

The City is awarded federal funds from HUD and an annual award from the State of Florida State Housing Initiatives Partnership (SHIP) program. The SHIP amount varies each year. The City also allocates local funds to public services agencies along with waiving local non-utility impact fees for multi-family housing developments.

Projects

AP-35 Projects – 91.220(d)

Introduction

The City of Lakeland’s Action Plan outlines its planned actions for the 2019-2020 to support housing and community development for the City’s low- and moderate-income populations, as well as the City’s homeless and special needs groups.

The Community Planning & Housing Division, under the direction of the Community & Economic Development Department, will continue to administer its Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) affordable housing programs. The City will continue to provide funding for affordable housing rehabilitation, development of new housing and home purchase assistance as well as coordinating efforts of social service providers to enhance the quality of life for persons at 80% and below of the area median income.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocations are typically used to address high priority needs, as identified in this plan, on a citywide basis for projects primarily benefiting low and moderate income households. The basis for assigning priority given to each category of priority needs (include relative priority, where required,) was a series of focus group meetings with providers of housing and community services, public meetings and public hearings. Input from the local housing authority and other City and Planning documents were also considered. HOPWA assistance shall be provided throughout the Lakeland/Winter Haven EMSA or Polk County wide.

Due to COVID-19 health crisis, the City will be assisting persons and/or households that have loss of employment, furlough of employment, and/or reduced hours with rental and/or utilities assistance along with foreclosure prevention counseling. The City may re-allocate un-encumbered CDBG funds to assist these two new projects.

The primary obstacle to addressing underserved needs continues to be the diminishing availability of funds and the increasing requests of funding needs from non-profit agencies providing services to low and moderate income individuals. During the 2019-2020 RFP process, the City received funding proposals for requesting over \$2.4 million, in which only an estimated \$1.9 million was projected to be available.

AP-38 Project Summary

Project Summary Information

1	Project Name	Owner-Occupied Rehabilitation
	Target Area	City-Wide
	Goals Supported	Affordable Housing
	Needs Addressed	Preserve and maintain affordable housing
	Funding	CDBG: \$915,737 \$565,737
	Description	Housing program provides major rehabilitation and emergency repair for owner-occupied housing for low income home buyers.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Estimated fifteen (15) low income households
	Location Description	City of Lakeland, FL city limits
	Planned Activities	Single unit detached housing rehabilitation
2	Project Name	Home Purchase Assistance-HOME funds
	Target Area	City-Wide
	Goals Supported	Self Sufficiency
	Needs Addressed	Preserve and maintain affordable housing
	Funding	HOME: \$50,000
	Description	Provide down payment and closing cost assistance to low income home buyers. Homes purchased must be within the city limits of Lakeland.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Estimated five (5) low income families
	Location Description	City of Lakeland, FL city limits
	Planned Activities	Down payment and closing cost assistance
	Project Name	Temporary Relocation

3	Target Area	City-Wide
	Goals Supported	Affordable Housing
	Needs Addressed	Preserve and maintain affordable housing
	Funding	CDBG: \$10,000
	Description	Temporary relocation for clients benefiting from the city's owner-occupied rehabilitation.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Estimated five (5) low income households
	Location Description	City of Lakeland, FL city limits
	Planned Activities	Temporary relocation assistance for clients benefiting from the City's owner-occupied rehabilitation program.
4	Project Name	Clearance and Demolition
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Preserve and maintain affordable housing
	Funding	CDBG: \$5,000
	Description	Clearance, demolition and removal of accessory building and improvement including movement of structure to other sites.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Estimated two (2) low income households.
	Location Description	City of Lakeland, FL city limits
Planned Activities	Clearance and demolition for blighted properties.	
5	Project Name	Housing Rehabilitation Staff-Activity Delivery
	Target Area	City-Wide
	Goals Supported	Affordable Housing

	Needs Addressed	Preserve and maintain affordable housing
	Funding	CDBG: \$275,000 \$200,000
	Description	Funds are budgeted to administer the Neighborhood Services Housing Office's Section , owner-occupied rehabilitation program <u>and rental assistance program</u> . This includes activity delivery for CDBG and other low-income rehabilitation <u>and rental assistance</u> activities.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Two Hundred (200) Fifteen (15) low-income families
	Location Description	City of Lakeland, FL city limits
	Planned Activities	Housing Rehabilitation Staff Activity Delivery.
6	Project Name	Code Enforcement
	Target Area	Code enforcement
	Goals Supported	Quality of life
	Needs Addressed	Code enforcement
	Funding	CDBG: \$57,637
	Description	Code Enforcement as it relates to demolition, housing and environmental code violations, fire inspections, overgrowth/care of premises, and abandoned vehicles.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Three thousand seventy-four (3,074) City of Lakeland residents in targeted census tracts
	Location Description	City of Lakeland, FL Census tracts 110, 111, 112.02, 112.03, 112.04, and south 1/2 of 113, 120.02, & 164
	Planned Activities	Costs incurred for inspection code of violations and enforcement of codes.
7	Project Name	General Program Administration
	Target Area	City-Wide

	Goals Supported	Affordable Housing
	Needs Addressed	Preserve and maintain affordable housing
	Funding	CDBG: \$125,000 HOME: \$36,297
	Description	General program administration involving the oversight, monitoring and coordination of Community Development Block Grant Program and related activities. Payroll and benefits of staff involved in administration and costs for the provision of CDBG and HOME programs and information to the public. General program administration and project soft costs.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Twenty-three (23) low income households
	Location Description	City of Lakeland, FL city limits
	Planned Activities	Administration of housing programs
8	Project Name	Community Housing Development Organization
	Target Area	City-Wide
	Goals Supported	Self Sufficiency
	Needs Addressed	Preserve and maintain affordable housing
	Funding	HOME: \$63,520
	Description	Housing acquisition and rehabilitation/reconstruction
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Estimated one (1) unit.
	Location Description	City of Lakeland, FL city limits
Planned Activities	Reconstruction or rehabilitation of a single-family unit	
9	Project Name	Simpson Park Summer Recreation Program
	Target Area	City-Wide

	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$31,350
	Description	This structured summer recreation program provided by the City of Lakeland's Parks and Recreation Department will provide activities for the youth.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	One hundred (100) low income families
	Location Description	1725 Martin L. King Jr. Ave, Lakeland, FL 33805
	Planned Activities	Youth Summer Camp
10	Project Name	Coleman Bush Building Summer Tutoring
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$3,200
	Description	Summer tutoring for low income households
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Fifty (50) low income families
	Location Description	1104 Martin L. King Jr. Ave, Lakeland, FL 33805
	Planned Activities	Summer tutoring
11	Project Name	Coleman Bush Building Fall Tutoring
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$11,300

	Description	After school tutoring for low income households.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Sixty (60) low income families
	Location Description	1104 Martin L. King Jr. Ave., Lakeland, FL 33805
	Planned Activities	After school tutoring.
12	Project Name	Coleman Bush After School Youth Programs
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$3,687
	Description	After school dance, keyboard and Life Skills
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Eleven (11) low income families
	Location Description	1104 Martin L. King Jr. Ave., Lakeland, FL 33805
	Planned Activities	Youth Activities
13	Project Name	Simpson Park Art Classes
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$2,740
	Description	After school art classes
	Target Date	09/30/2020

	Estimate the number and type of families that will benefit from the proposed activities	Two hundred fifty (250) low income families
	Location Description	1725 Martin L. King Jr. Ave, Lakeland, FL 33805
	Planned Activities	After School art classes
14	Project Name	Simpson Park Dance Lesson
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$2,180
	Description	Dance classes
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Two hundred fifty (250) low income families
	Location Description	1725 Martin L. King Jr. Ave, Lakeland, FL 33805
	Planned Activities	Dance classes for youth
15	Project Name	Simpson Park Summer Swimming Lessons
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$4,200
	Description	Swim Classes
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	One hundred five (105) low income families
	Location Description	1725 Martin L. King Jr. Ave, Lakeland, FL 33805

	Planned Activities	Swimming lessons for youth
16	Project Name	Boys and Girls Club Summer and After School Programs
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$10,000
	Description	Programs proved a safe environment with the summer camp and after school program for low income, at risk youth at two (2) location.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Eighty (80) low income families
	Location Description	1525 Martin L. King Jr. Ave., Lakeland, FL 33805
	Planned Activities	Summer camp and after school programs for children.
17	Project Name	Lakeland Volunteers in Medicine
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$45,000 \$20,000
	Description	A Non-profit agency provides medical care for the working uninsured with volunteers.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	One thousand <u>Five Hundred</u> (1,500 1,000) working uninsured Lakeland residents
	Location Description	600 W Peachtree St, Lakeland, FL 33815
	Planned Activities	Healthcare for the working uninsured.
18	Project Name	Peace River Center for Personal Development, Inc
	Target Area	City-Wide

	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$32,986 \$7,986
	Description	Immediate crisis mental health services
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Twelve (12) children, adolescents, and adults
	Location Description	1831 Gilmore Ave, Lakeland, FL 33801
	Planned Activities	Mental Health services
19	Project Name	Talbot House Ministries
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$10,000
	Description	Help pay utility costs for the agency location.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Four hundred (400) low income and homeless persons
	Location Description	814 N Kentucky Ave., Lakeland, FL 33801
	Planned Activities	Assist with utility costs
20	Project Name	The Salvation Army
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$10,000
	Description	Rapid rehousing assistance to the families living in the SA Emergency Family Shelter and engaged in the Pathway of Hope

	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Two (2) Low income families
	Location Description	2620 Kathleen Rd, Lakeland, FL 33810
	Planned Activities	Case management and financial assistance.
21	Project Name	Volunteers in Service to the Elderly (VISTE)
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$45,000 \$20,000
	Description	Agency working with volunteers to prepare and deliver hot meals to low income, frail and elderly residents.
	Target Date	09/30/2020
	Estimate the number and type of families that will benefit from the proposed activities	Two hundred sixty-six (266) frail and elderly residents
	Location Description	City of Lakeland, City Limits
	Planned Activities	Deliver hot meals to elderly
22	Project Name	Wilson House, Inc
	Target Area	City Wide
	Goals Supported	Self Sufficiency
	Needs Addressed	Facilities and Services
	Funding	CDBG: \$10,000
	Description	Agency working with homeless, chronic male substance abuser in Lakeland
	Target Date	09/30/2020

	Estimate the number and type of families that will benefit from the proposed activities	Thirty-seven (37) male, chronically homeless, substance abuser
	Location Description	510 Wildlife Trail. Lakeland, FL 33809
	Planned Activities	Counseling services
23	Project Name	Choctaw Avenue Sidewalk Project
	Target Area	City-Wide
	Goals Supported	Quality of life
	Needs Addressed	Infrastructure Improvements
	Funding	CDBG: \$77,558
	Description	Construct a 6' sidewalk that will include reconstructing existing driveway aprons and curb ramps
	Target Date	09/30/2019
	Estimate the number and type of families that will benefit from the proposed activities	Twenty-five (25) low income households
	Location Description	City of Lakeland, FL, Census Tract 109
	Planned Activities	Costs incurred for Sidewalk construction
24	Project Name	New Construction (HOME funds)
	Target Area	City-Wide
	Goals Supported	Affordable Housing
	Needs Addressed	Increased Homeownership
	Funding	HOME: \$204,000
	Description	Construction of new housing for low income families
	Target Date	09/30/2020

	Estimate the number and type of families that will benefit from the proposed activities	Two (2) low income households
	Location Description	City of Lakeland, FL
	Planned Activities	New construction
<u>25</u>	<u>Project Name</u>	<u>Rental and Utility Assistance</u>
	<u>Target Area</u>	<u>Citywide</u>
	<u>Goals Supported</u>	<u>Affordable Housing</u>
	<u>Needs Addressed</u>	<u>Preserve and Maintain Affordable Housing</u>
	<u>Funding</u>	<u>CDBG: \$725,310</u>
	<u>Description</u>	<u>Provide rental and utility assistance to persons and/or household due to COVID-19 loss of employment, reduction of hours; furlough of job</u>
	<u>Target Date</u>	<u>April 1, 2020- December 31, 2020</u>
	<u>Estimate the number and type of families that will benefit from the proposed activities</u>	<u>Two hundred (200) households</u>
	<u>Location Description</u>	<u>City of Lakeland</u>
	<u>Planned Activities</u>	<u>Rental and Utility Assistance</u>
<u>26</u>	<u>Project Name</u>	<u>Housing Counseling for Mortgage Foreclosure Prevention</u>
	<u>Target Area</u>	<u>Citywide</u>
	<u>Goals Supported</u>	<u>Affordable Housing</u>
	<u>Needs Addressed</u>	<u>Preserve and Maintain affordable housing</u>
	<u>Funding</u>	<u>CDBG: \$50,000</u>
	<u>Description</u>	<u>Provide housing counseling for household to prevent foreclosure of mortgage</u>

<u>Target Date</u>	<u>April 1, 2020 to December 31, 2020</u>
<u>Estimate the number and type of families that will benefit from the proposed activities</u>	<u>Six hundred (600) Counseling Sessions</u>
<u>Location Description</u>	<u>City of Lakeland</u>
<u>Planned Activities</u>	<u>Provide counseling sessions for the prevention of mortgage foreclosure.</u>

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The geographic areas of the City in which the CDBG funding will be invested consist of the areas identified by Census Tract. There are several areas that have high percentages of low income residents. That is, the census tracts identified contain the highest concentration of low income families. The population of the remaining low-income tracts is between 13 and 55 percent minority. The majority of the population in the census tracts is- low to moderate income.

Although the City of Lakeland’s programs are city wide, the vast majority of funds are spent within the census tracts outlined in colors in the map. For PY 2019-2020 as in prior years, the Community Planning & Housing Division anticipates expending the majority of the funds in the census tracts through various housing programs and public services activities.

Geographic Distribution

Target Area	Percentage of Funds
City-Wide	100
Code enforcement	7

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Census Tracts where 51% of the individuals meet HUD's low/moderate income standards (80% or less of the area median income) are identified as target areas for investment.

Assistance will also be made available citywide to persons meeting the CDBG eligibility requirements for low- and moderate income benefit. While the City of Lakeland estimates the percentage of funds to be directed to low- and moderate-income areas or citywide, the City has not estimated the percentage of funds to be directed to specific areas.

Discussion

The City will concentrate its efforts on owner occupied rehabilitation, new construction, home purchase assistance and public supportive services to benefit the low to moderate income clients citywide. The CBDG-CV funds will be utilized citywide to low/moderate income persons and/or households which had a loss of employment, reduction of hours and furlough employment because of the national emergency declaration. The City will provide rental assistance to the general population citywide who are affected by the COVID-19 crisis. Those persons and households with income levels at or below 80% of the Area

Median Income (AMI).

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The Community Planning & Housing Division will concentrate its efforts on keeping families in their homes with its rehabilitation program. There is a tremendous need for major and minor repairs of existing homes. The City will provide eligible households with homeownership assistance. There is nationwide wide shortage of affordable housing; therefore, the City will also focus on the development of new housing which may be single family or multi-family projects. With the most recent March 1, 2020 emergency declaration of the COVID-19 virus, the Housing Division is shifting its focus to assisting rental and utilities for those living in rental units and also with foreclosure prevention counseling for those with mortgages.

With its housing projects, Housing Division is committed to perform energy saving efforts such as R38 insulation, 15 SEER heating and cooling units; low E coating windows and low flow faucets and toilets.

One Year Goals for the Number of Households to be Supported	
Homeless	0
Non-Homeless	15
Special-Needs	2
Total	17

Table 9 - One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through	
Rental Assistance	200 ±
The Production of New Units	2
Rehab of Existing Units	15
Acquisition of Existing Units	5
Total	22

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

The City will concentrate its efforts on owner occupied rehabilitation due to the age of existing stock, home purchase assistance and the development of new housing to assist families with self-sufficiency and public supportive services to benefit the low to moderate income clients citywide. The additional CV funds awarded will be utilized for rental & utility assistance along with much needed housing counseling for those households who may be facing mortgage foreclosure.

AP-60 Public Housing – 91.220(h)

Introduction

The City works with the Lakeland Housing Authority (LHA) on different projects during the program year.

Actions planned during the next year to address the needs to public housing

The City and LHA offers their residents positive programs, undertaking by both entities. LHA provides homebuyer education and the City offers down payment and closing assistance. LHA offers the Family Self-Sufficiency and Youth Build Programs and the City supports these programs by signing the Certificate of Consistency. The City also provides funds for low income youth for scholarships at a local non-profits agency and many youths from the housing complexes take advantage of the after school and summer programs.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

LHA is committed to providing families in assisted housing with opportunities for growth and development. All recipients of Section 8 rental assistance are provided counseling through a case management and supportive service referral program based on the Family Self-Sufficiency model. The mission of the Family Self-Sufficiency program is achieved through the coordination and the broadening of the existing resources to help low- and moderate-income persons to become economically independent and self-sufficient.

Housing Division encourages its general contractors to recruit residents of its housing complexes and Youth Build program with its Section 3 requirements. This would promote opportunities for clients to earn income to become homeowners. As mentioned above, LHA offers homebuyer education and the City provides down payment and closing assistance to clients.

If the PHA is designated as troubled, describe the manner in which financial assistance will be Provided or other assistance

The Lakeland Housing Authority is not designated as “troubled”.

Discussion

The City has a strong working relationship with the Lakeland Housing Authority with the support of its many services offered and also waiver of particular impact fees for their multiple family projects. Staff is part of the board of Youth Build and the City's official signs off on LHA's certifications of consistency for their programs. The City's staff assisted the LHA in its environmental review process for its proposed senior apartments.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City staff works closely with the local homeless and special needs providers to support their efforts in their programs.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Our homeless outreach one-year goals and actions are to:

- Examine the capacity of outreach efforts and expand services to meet demand.
- Create and deliver basic training for outreach volunteers, library employees, law enforcement, and other frontline service providers.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City's one-year goals and actions to address this issue are to:

- Develop a strategy to align the emergency shelter and transitional housing beds more closely with the needs over the next five years.
- Work with Polk County to determine if an emergency shelter outside the City of Lakeland would better serve the homeless. Currently, the only emergency shelters are located in the City of Lakeland.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were

recently homeless from becoming homeless again

The planned strategies to address this issue are to:

- Increase funding for rapid re-housing by working with GiveWell, the community foundation serving Lakeland, to make rapid re-housing projects a funding priority.
- Prioritize rapid re-housing for CoC funding.
- Provide rapid re-housing with State funding.
- Evaluate current CoC transitional housing programs serving families for re-allocation of funding toward rapid re-housing.
- Continue to pursue State of Florida and private funding for rapid re-housing and multi-family projects.
- Working with other agencies to bring permanent supportive housing into Polk County.
- CoC to work with Public Housing Authorities on Section 8 and rapid re-housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The planned strategies to address this issue are to:

- Identify community prevention partners determining what each prevention partner group can best do for prevention and ensure processes and tools are in place to support prevention.
- Work with landlords to identify stability issues early and effective interventions to keep client housed.
- CoC develops and monitors CoC-wide goals emphasizing housing retention outcomes with results reported in annual performance-based rankings.
- CoC monitors provider housing stability providing technical assistance to poor performers as needed.
- Connect prevention programs coordinated entry allowing households to quickly access the services they need without having to call multiple programs.
- Pursue increased funding for homeless prevention projects including Florida Department of Children and Families Homeless Prevention Grant.

Discussion

The City supports the efforts of the homeless community with the support of the public service agencies. The City and Polk County have entered into an interlocal agreement to provide rapid-rehousing assistance.

The City along with Polk County Housing and Neighborhood Development entered into a contract to provide rapid re-housing State funds to individuals and families who are homeless or at risk of homelessness. This strategy will be serviced by a local non-profit agency. This program year, the City is committing additional State funds to assist in a Rapid Rehousing Strategy. The City supports the local coordinated entry intake process with the goal of gaining access to housing and related services for the underserved populations of veterans, youth and families. The most important goal of the system is to move individuals from homelessness to permanent stable housing as quickly as possible.

The special needs community is supported with the financial awards to public agencies and waiver of impact fees for special needs projects.

With the other COVID-19 funds awarded to the County and HCPC through ESG and COC, homeless persons and/or households are being assisted with basic needs.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The effect of City public policies on the cost of affordable housing may include tax policy affecting land and other property, land use controls, zoning ordinances, building codes, impact fees, growth limits, and policies that affect the return on residential investment. The City has a review process in place for all City actions that may adversely impact the development of affordable housing. The following programs have been established to support affordable housing within the city limits.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Impact Fee Credits-All land development activity, regardless of type or location, may receive an impact fee credit for a structure which has been removed within the prior five years.

Impact Fee Exemptions-The City has in place impact fee exemptions targeted to a specific location. Through an interlocal agreement with Polk County, development in the Core Improvement Area is exempt from all County and City impact fees except water, wastewater, and fire service capacity fees.

Affordable Housing Incentive Plan-In 1992 when the State enacted the William E. Sadowski Affordable Housing Act, which provided a comprehensive funding package for affordable housing programs, local governments had to develop a “Local Housing Incentive Plan” to receive funds under the Act. The City appointed an Affordable Housing Advisory Committee (AHAC) which, through the Affordable Housing Incentive Plan, established the incentives to be provided to encourage the development of affordable housing. The incentives include:

- Expedited permitting for all affordable housing developers.
- Developers may request impact fee reimbursements if the unit is sold or rented to an eligible household.
- Eligibility for additional incentives that may be approved by the Affordable Housing Review Committee, including reduced road widths, and modifications in curbing, parking, or other site improvement features.

Code Enforcement Section is responsible for investigating and citing properties for code violations, boarding up abandoned buildings, demolishing unsafe structures, and maintaining vacant lots. Code Enforcement receives funding from both CDBG and the City’s General Fund. Code Enforcement has a new computer system that allows the tracking of code violations by Census Tract.

Urban Homesteading Program-As a strategy to promote infill housing development in some of Lakeland’s most distressed neighborhoods, the Urban Homesteading Program was developed. On vacant buildable

residential lots, the City shall continue to aggressively pursue title and marketability through foreclosure of special assessment liens and quiet title action. Funding for this effort is derived from the General Fund. The City shall maintain a list of City owned vacant lots suitable for single family construction where the property has marketable title and all back taxes have been paid in full. These lots shall be available for Urban Homesteading.

Accessory Dwelling Units-The City amended its Land Development regulations to allow accessory dwelling units (ADU) in residential zoning districts. ADUs may provide affordable units for retirees, single persons, couples and students while attending college or preparing to become independent.

Discussion:

N/A

AP-85 Other Actions – 91.220(k)

Introduction:

The City will perform the actions stated below to assist low to moderate income households and persons with affordable housing and social service needs.

Actions planned to address obstacles to meeting underserved needs

The Community Planning & Housing Division has identified several obstacles that will hinder its ability to address the identified needs in the five-year Consolidated Plan. These include the following:

The primary obstacle to meeting underserved needs in the City is the limited financial resources available to address identified priorities. For example, the amount of CDBG funds available under the 15% Public Service cap is consistently and significantly less than the amount requested to meet local goals. The State housing trust fund has fluctuated over the last several years. This fund complemented the federal funds coming into the community; but the SHIP funding has been reduced by 75% this program year.

With the CDBG-COVID-19 funds, the City has increased awards to those agencies who are able to assist the feeding for the elderly population, medical services to those who have lost medical coverage; and mental health counseling.

The obstacles to meeting housing needs revolve primarily around the rising cost of housing and need for additional affordable housing. While housing quality and non-housing factors play a role in the city's housing needs, housing cost burden is by far the leading challenge in the market. Moreover, the limited supply and rising cost of housing makes challenges like homelessness and living wages for low income households even more difficult to address. With the current COVID-19, there are over 443,000 unemployed as of March, 2020 and which is a huge increase. Therefore, the housing shortage will become more crucial.

Actions planned to foster and maintain affordable housing

As stated in above paragraphs, the City will concentrate its efforts on keeping families in their homes with its rehabilitation program and the development of new housing. The City also will provide eligible households with homeownership assistance.

The City's programs are committed to provide energy saving efforts such as R38 insulation, 15 SEER heating and cooling units, low E coating windows and low flow faucets and toilets.

The City will continue to support homeless service providers with public service funds in programs to assist households and prevent homelessness. The City supports local non-profit developers with waiver of

impact fees, discounted lots and down payment assistance.

The local Community Redevelopment Agency has combined its housing programs with the Housing Division to provide comprehensive solutions to the efforts of housing crisis. The CRA has completed phase II of its construction on a plot of land for twenty-five units of single-family homes located in a low income census tract for low to moderate income homebuyers.

Actions planned to reduce lead-based paint hazards

The City of Lakeland addresses lead-based paint hazards as part of the rehabilitation program. The City addresses any lead-based paint hazards pursuant to 24 CFR Part 35 Final Rule effective September 15, 2000. Qualified testers and risk assessment contractors are utilized for the work to be completed for lead based paint stabilization, detection, and abatement using safe work practices. HUD's lead-based paint regulations and requirements are fully incorporated into all of the City's rehabilitation and homebuyer activities.

Actions planned to reduce the number of poverty-level families

The goal of the City is to address issues relating to poverty through assistance to both outside agencies and City programs. Funded activities that provide assistance and training to lower income persons include: Salvation Army and Talbot House programs, Homeless Coalition of Polk County support, drug prevention activities, after school programs, summer teen activities, volunteers to assist elderly shut-ins, programs for persons with disabilities, counseling, and recreational programs for low-income children.

The Housing Assistance Program will continue to focus on training and counseling activities that help families become successful homeowners. The Affordable Housing Advisory Committee and the Housing Assistance Partnership Task Force will continue to oversee the implementation of housing programs and attempt to ensure affordable, decent housing for all residents. The City's single-family rehab program helps lower income owners make needed repairs, which enables them to remain in their affordable homes and it has plans to increase its number of ownership and rental units through new development

The Neighborhood Services Division maintains contacts with other agencies supplying services to low income residents such as the Lakeland Housing Authority, various homeless service agencies, and local non-profit agencies with programs that benefit children and families.

The Lakeland Housing Authority operates the Family Self-Sufficiency and Section 8 FSS programs to promote the development of local strategies to coordinate the use of assistance under the public housing program with public and private resources, enable participating families to increase earned income, reduce or eliminate the need for welfare assistance, and make progress toward achieving economic independence and self-sufficiency. The FSS program supports HUD's strategic goals of helping HUD-assisted renters make progress toward housing self-sufficiency, welfare reform and help families develop new skills that will lead to economic self-sufficiency. As a result of their participation in the FSS program,

many families have achieved stable, well paid employment, which has made it possible for them to become homeowners or move to other non-assisted housing. The City signs LHA's certificate of consistency for its submission to funding sources.

City and Polk County have a contract with a local non-profit agency to provide rental and security deposits for households 30% and below of the Area Median Income.

All local non-profit agencies serving the homeless offer some level of supportive services to program participants, ranging from family counseling to job skill development, all of which are intended to promote self-sufficiency and prevent a return to poverty and homelessness.

Actions planned to develop institutional structure

N/A

Actions planned to enhance coordination between public and private housing and social service agencies

The City is committed to the close coordination of all its programs with other City departments, local nonprofits and private sector. The Community Planning & Housing Division Staff will continue to participate in events and planning sessions of the local housing authority, private housing developers and health and social service agencies.

Staff makes every effort to attend various community meetings throughout Polk County. In a survey performed by Lakeland Vision, it outlined several priorities for the local community such as: effective land planning to provide diverse housing options for all incomes, preservation of green space and trees, reducing Lakeland's homeless population through outreach shelters and housing programs that provide comprehensive support services, including child care, education and job placement.

The City has an ongoing relationship with the Lakeland Housing Authority (LHA). The City also supports the LHA Youth Build project.

The City provides several health and social service agencies with CDBG and City general funds through the public/community service application process.

Discussion:

The City will coordinate its efforts with other agencies and partners in the community to provide housing and services to the low-income households & assist those in the prevention of becoming homeless.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

The City uses CDBG program funds to ensure decent affordable housing, to provide services to the most vulnerable in our communities, to create jobs through the expansion and retention of businesses and to support strong and healthy neighborhoods. Not less than 70 percent of CDBG funds are used for activities that benefit low and moderate income persons, and each funded activity meets one of the following national CDBG objectives:

- benefit low and moderate income persons,
- prevention or elimination of slums or blight, or
- address community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community for which other funding is not available.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	2500.00
5. The amount of income from float-funded activities	0
Total Program Income:	2500.00

Other CDBG Requirements

1. The amount of urgent need activities	0
---	---

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 100.00%

HOME Investment Partnership Program (HOME)

Reference 24 CFR 91.220(l)(2)

- 1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:**

For HOME funds, the City has no forms of investment other than those described in Section 92.205(b). HOME funds are invested as deferred payment loans.

- 2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:**

The City utilizes the recapture method for HOME programs as written in 24 CFR 92.254 {a} {4} with the period of affordability and Recapture Provisions of 24 CFR 92.254 {5}{ii}.

Direct subsidies will be provided in the form of a deferred lien. If a homeowner elects to sale or use the property for non-eligible HOME Program activities, the amount of HOME fund assistance that the subrecipient or CHDO used to purchase and construct or rehabilitate and a homebuyer to purchase, shall be recaptured and repaid to the City provided the net proceeds are sufficient.

In the event of a sale (voluntary or involuntarily) of the housing unit, and there are no net proceeds or the net proceeds are insufficient to repay the HOME investment due, the City shall recapture the net proceeds, if any. The net proceeds are the sale price minus superior loan repayment (other than HOME funds) and any closing costs.

All CHDO's and subrecipients that are awarded HOME funding for the creation of affordable homebuyer units will use the recapture provisions. This language is included in the written contracts.

- 3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:**

Home Purchase Assistance – Assistance provided requires a recapture (affordability term) for all HOME funding. Down payment and closing cost assistance provided as a direct benefit to the client

for home purchase assistance shall be recaptured as follows:

<u>Amount of HOME Assistance per Unit</u>	<u>Affordability Term</u>
Under \$15,000	5 years
\$15,000 to \$40,000	10 years
Over \$40,000	15 years

The contractor's fee is provided as a grant to the client, not subject to recapture; but will be used to calculate the affordability period.

All homebuyers who receive HOME Program assistance will sign a deferred lien and HOME agreement that state the homebuyer will ensure the property remains their principal residence during the period of affordability, as determined by the funding amount. The City maintains a loan portfolio that is reviewed annually to determine if the home remains the borrower's primary residence.

Housing reconstruction - Construction – Recapture provisions

Housing Rehabilitation – Recapture provisions are applied to housing rehabilitation with the pro rata reduction of the deferred lien amount.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not intend to use HOME funds to refinance existing debt secured by multi-family housing that is being rehabilitated with HOME funds. The City's HOME funds may be used for single-family and multi-family units.

Discussion:

For purposes of the Community Planning & Housing Division programs, the City elects to utilize for income eligibility requirement the Section 8-Part 5 program definition for annual income to determine household income. This definition shall be used program wide.
