

Recommendation re: Task Authorization with RJR Contractor LLC. for Fence and Gate Installations at Lakeland Linder International Airport

Lakeland Linder International Airport (LLIA) requests approval of a Task Authorization with RJR Contractor LLC, in the amount of \$302,955.00, to replace 4,850 linear feet of fencing, 13,950 linear feet of barbwire, and install four gates along LLIA's perimeter.

Fencing and gates selected for replacement include those sections on the airport that no longer meet Transportation Security Administration (TSA) Security Directive requirements.

Services performed under this Task Authorization will be according to the City's Continuing Contract for Fence Repairs, Replacements, and Installations dated December 20, 2021, ITB No. 1271, and RJR Contractor LLC's proposal dated September 6, 2023.

Funding for this project is as follows:

Source	Amount	%
Florida Department of Transportation Public Transportation Grant	\$ 242,364.00	80%
Airport Fund	\$ 60,591.00	20%

Staff recommends approval of the Task Authorization with RJR Contractor LLC. for Fence and Gate Installations at LLIA in the amount of \$302,955.00.
