**INTERLOCAL AGREEMENT FOR TOURIST DEVELOPMENT TAX
FUNDING FOR FACILITY ENHANCEMENT AT JOHN MCGEE PARK**

THIS INTERLOCAL AGREEMENT (hereinafter the "Agreement") is made as of the Effective Date defined in Section 8 below, by and between **POLK COUNTY**, a political subdivision of the State of Florida (hereinafter the "County"), and the **CITY OF LAKELAND**, a municipal corporation of the State of Florida (hereinafter the "City"). The County and City are referred to herein individually as a "Party" and collectively as the "Parties."

WHEREAS, the City is the owner and operator of John McGee Park (hereinafter the "Park"), a public facility which is described and depicted on the attached and incorporated Exhibit "A," located at 2399 Edgewood Drive South, Lakeland, Florida; and

WHEREAS, the City developed and has been operating the Park since 2012 having constructed the Park at a cost of more than \$3.4 million dollars from City funds; and

WHEREAS, the Park is a "venue" that has "as one of its main purposes the attraction of tourists" as referenced in Section 125.0104(3)(n), *Florida Statutes*, in that the Park presently includes six (6) soccer fields that provide a much-needed venue for large scale sporting events similar to other venues within the county which have been successfully marketed within the State of Florida, nationally and internationally to attract tourists and out-of-town participants to such events; and

WHEREAS, the City and the County have agreed to cooperate in utilizing the Park to conduct large scale sporting events and attract sponsoring organizations who conduct

such events which bring tourists, out-of-county participants and their economic impact to Polk County; and

WHEREAS, the City and the County have proposed to further enhance the Park facilities and improvements (collectively, the “Improvements” which are more specifically identified in the attached Exhibit “B” and incorporated herein by reference) to better position the Park as a marketable venue where sponsoring organizations can host high-level competitive events which will attract tourists and out-of-county participants to Polk County; and

WHEREAS, the City, through its procurement procedures, will enter into an agreement(s) with an appropriate company or companies for the construction of the Improvements; and

WHEREAS, the County has proposed that the funding needed to construct the Improvements be made available from the Tourist Development Tax because the Improvements will further enhance use of the Park for large scale sporting events thereby fulfilling one of the venue’s main purposes of attracting tourists; and

WHEREAS, the City’s Improvements to the Park complies with and will further the purposes of the Polk County Tourist Development Plan set out in Polk County Ordinance 86-27, as amended, and as required by Section 125.0104(4), Florida Statutes, in that the expanded venue with its large scale sporting events will promote and advertise tourism to those within the State of Florida, nationally, and internationally, attracting tourists to the Park, the City, and the County; and

WHEREAS, it is the purpose and intent of this Agreement, the Parties hereto, and Section 163.01, Florida Statutes, the Florida Interlocal Cooperation Act of 1969

(hereinafter the "Cooperation Act"), to permit the City and County to make the most efficient use of their respective powers, resources and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby to provide for the Park Improvements in the manner that will make best use of resources available to each of them; and

WHEREAS, the City has committed to undertake and oversee, with County input, the construction of the Improvements, and the County has elected to pledge a portion of the revenues from its tourist development tax, authorized by Section 125.0104, Florida Statutes (the "Tourist Development Tax"), in the amount set forth in Section 2.1 of this Agreement, to pay a portion of the construction costs as set forth in this Agreement, all in accordance with the intent and purposes of the Cooperation Act permitting local governments to, among other things, provide from their treasuries the financial support for the purposes set forth in interlocal agreements; and

WHEREAS, the City and the County have ascertained that the method or formula for equitably providing for and allocating payment for the costs of the Improvements are reasonable on the basis of the amount of services rendered or to be rendered, benefits received or conferred, and on all other equitable bases; and

WHEREAS, the City and the County desire by this Agreement to memorialize their respective commitments regarding the construction of the Improvements and use of the Park to further the purposes stated herein;

NOW THEREFORE, in consideration of the mutual covenants of this Agreement, the City and the County agree, as follows:

SECTION 1. RECITALS / AUTHORITY.

1.1 The above recitals are true and correct and are hereby fully incorporated herein.

1.2 This Agreement is entered into pursuant to the provisions of Section 163.01, Florida Statutes; Chapter 166, Florida Statutes; Chapter 125, Florida Statutes; and other applicable provisions of law.

SECTION 2. OBLIGATIONS OF THE COUNTY.

2.1 Subject to the terms and conditions of this Agreement, the County does hereby covenant and pledge a portion of the fourth and the fifth percent of the Tourist Development Tax the County receives up to an aggregate amount of three hundred thousand dollars (\$300,000.00) (the "County Funds") which the County will disburse to the City within seven (7) days after the Agreement Effective Date. The City may only use the County Funds to pay the costs of constructing and installing the Improvements. The City shall fund and pay any and all other fees, costs, and expenses in excess of the County Funds amount which are necessary to design, plan, permit, construct, and install the Improvements at the Park.

2.4 The City and County acknowledge and agree that if construction of the Improvements is not commenced or completed by the dates set forth in Section 3.2, below, for any reason other than as permitted in this Agreement, the City shall immediately return to the County the full amount of the County Funds payment the City received pursuant to Section 2.1 above.

SECTION 3. OBLIGATIONS OF THE CITY

Subject to the terms and conditions of this Agreement, the City does hereby covenant and agree as follows:

3.1 The City shall only use the County Funds to pay the cost of the Improvements, and for no other purpose. The City shall fund and pay any and all other Improvement costs which exceed the amount of the County Funds. If the Improvements cost less than the County Funds amount the City received, then the City shall return the remainder of the County Funds to the County within seven (7) days after the Improvements have been completed and the City's contractor and all his subcontractors, material suppliers, and workers have been paid.

3.2 The City shall commence construction of the Improvements on or before January 1, 2027 and shall thereafter work continuously and diligently to complete construction of the Improvements on or before June 30, 2027 .

3.3 The City shall be solely responsible for the permitting, design, construction, and installation of the Improvements and shall monitor and oversee all construction and project contracts related thereto. The City shall invite and include the County in all construction meetings and provide the County an accounting of its expenditures of the County Funds no less than quarterly. If the City has failed to fully account for its use of all the County Funds within thirty (30) days after the Improvements have been substantially completed then the County will notify the City of the unsubstantiated amount. Within thirty (30) days after receiving the County's notice the City must either submit documentation sufficient for the County to verify the unsubstantiated amount was expended for the Improvements, or refund the unsubstantiated amount (or any unverified portion thereof) to the County.

3.4 The City shall ensure that(1) the completed Improvements include, at a minimum, the projects and facilities listed or depicted on Exhibit "B"; and (2) that the

Improvements are completed by June 30th, 2027. Notwithstanding the foregoing, if the Improvements are not completed and available for use by that date, then, provided the City has been working diligently and continuously to construct the Improvements but has been unable to timely complete them due to conditions and/or circumstances which the City could not have reasonably foreseen, and which were not caused by the City or those under its control, then the Parties may amend the agreement to extend the completion date for a period commensurate with the unforeseeable delay provided the City works diligently to make the Improvements available for use as soon as reasonably possible after the unforeseen conditions or circumstances have been mitigated or otherwise resolved.

Notwithstanding anything to the contrary contained herein, in the event the conditions of Section 3.2, Section 3.3, or this Section 3.4 are not satisfied for any other reason as the County determines in its reasonable discretion, then the County shall have the right to terminate this Agreement by providing written notice thereof to the City, and in such event, the City shall return the full amount of the County Funds to County within 30 days after receipt of such notice, and thereafter, the Parties shall have no further obligations hereunder except for those designated as surviving the expiration or earlier termination of the Agreement.

3.5 As consideration for the County's pledge and disbursement of the County Funds, during the Agreement Term the City shall annually grant the County a preferred rental rate of 100% off the City's base fee rental rates, not including labor and materials, for the similar exclusive use of the Park and its Improvements on all other dates, allowing

the County first priority usage over other parties, with reasonable consideration to other events and programs the City schedules for use of the Park and Improvements.

3.6 The Parties acknowledge that as of the Agreement Effective Date the final site plan showing the layout and configuration of the Improvements at the Park, as well as any additional facilities the City may include which are not funded by Tourist Development Tax dollars pursuant to this Agreement, is ongoing pursuant to the City's design process. The City confirms that the ultimate configuration and siting of the Improvements shall be determined by mutual agreement of the County and the City. The City will solely determine whether any facilities other than the Improvements will be constructed or operated at the Park and/or on other adjoining or nearby City-owned land provided, however, that its determination about such facilities and their use does not adversely affect, in the County's reasonable discretion, the construction, location, use, operation or maintenance of the Improvements, or otherwise negatively impact the County's rights under this Agreement to annually conduct events at the improved Park.

3.7 If, during the Term of this Agreement, the City mortgages or otherwise encumbers, sells, disposes of, transfers, or otherwise conveys any ownership interest in the Park without the County's prior written consent, and such action results in the Park no longer being owned and operated by the City for the public purposes contemplated by this Agreement, the City shall reimburse the County for a pro rata portion of the funds provided by the County under this Agreement. The reimbursement amount shall be calculated by multiplying the total County funds disbursed by a fraction, the numerator of which is the number of months remaining in the Term and the denominator of which is

the total number of months in the Term. Payment shall be made within sixty (60) days after the applicable transfer or cessation of the required public use.

SECTION 4: No Lien on Nor Pledge of Ad Valorem Revenues

The pledge of the City and the County, respectively, as set forth herein, shall not constitute nor create a lien, either legal or equitable, on any of the City's or the County's respective ad valorem revenues or funds. Neither the City nor the County shall ever be required to levy ad valorem taxes on any property within its respective boundaries to pay their respective shares of the Improvements.

SECTION 5: Indemnification

Without waiving sovereign immunity pursuant to Section 768.28, Florida Statutes, each Party will indemnify the other from and against any and all claims, demands, causes of action, losses, damages, penalties and expenses, including attorneys' fees, arising from or incurred because of any loss or damage sustained as a result of the indemnifying Party's failure to comply with the provisions of this Agreement, to the extent permissible by Florida Law. Nothing herein shall be deemed a waiver, express or implied, of either Party's sovereign immunity or an increase in the limits of liability pursuant to Section 768.28, Florida Statutes, regardless of whether any such obligations are based in tort, contract, statute, strict liability, negligence, product liability or otherwise. The provisions of this Section 5 shall survive the expiration or the earlier termination of this Agreement.

SECTION 6: Default and Remedy

If the City materially defaults in the timely performance of any Agreement obligations, or if the City is otherwise in material default of this Agreement, then the County may withhold, temporarily or permanently, all or any unpaid portion of the County

Funds until such failure is cured. Additionally, the County shall have the right to (i) set-off the monetary amount of any and all damages arising from such default, whether direct or indirect, actual or liquidated, from any amount due and owing to the City pursuant to this Agreement or any other agreement by and between the City and the County and (ii) pursue any other available legal or equitable remedy. A termination of this Agreement arising from a Party's default shall not eliminate either Party's responsibilities to perform those duties and obligations which survive the expiration or earlier termination of the Agreement.

SECTION 7: Term

Unless extended by mutual written agreement of the Parties, or unless otherwise provided in this Agreement, this Agreement shall expire ten (10) years after the Effective Date defined in Section 8 below (such period being the "Term" of the Agreement).

SECTION 8: Effective Date

Pursuant to Section 163.01(11), Florida Statutes, this Agreement shall become effective upon the date (the "Effective Date") the fully executed Agreement is filed with the Clerk of the Circuit Court for Polk County, Florida.

SECTION 9: Notice

Any notice or correspondence required under this Agreement shall be provided to the other Party by personal hand delivery, by recognized overnight courier service, postage prepaid, or by certified mail, return receipt requested, to the other Party at the address set forth below:

SECTION 10: Third-Party Rights

Nothing in this Agreement is intended, nor shall be construed, to confer any rights or benefits upon any party other than the City and the County.

SECTION 11: Assignment

Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered under any circumstances.

SECTION 12: Severability

The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The Parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section

12 shall not prevent the entire Agreement from being void should a provision which is of the essence of the Agreement be determined to be void.

SECTION 13: Controlling Law / Members of the City and County Not Liable

All covenants, stipulations, obligations and agreements of the County and the City contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the County and the City, respectively, to the full extent authorized by the Cooperative Act and provided by the Constitution and the laws of the State of Florida and the Charter and Code of Ordinances of the City. No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the governing body or agent or employee of the City or the County in its, his, her or their individual capacity and neither the members of the governing body of the City or the County nor any official executing this Agreement shall be liable personally or shall be subject to any accountability by reason of the execution by the City or the County of this Agreement or any act pertaining hereto.

SECTION 14: LIMITATION OF LIABILITY

14.1 IN NO EVENT, SHALL THE COUNTY BE LIABLE TO THE CITY FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS AGREEMENT BY THE COUNTY WHETHER BASED IN CONTRACT, COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE.

14.2 IN NO EVENT, SHALL THE CITY BE LIABLE TO THE COUNTY FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS AGREEMENT BY THE CITY WHETHER BASED IN CONTRACT, COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE.

14.3 The provisions of this Section 14 shall survive the expiration or the earlier termination of this Agreement.

SECTION 15: Governing Law and Venue

This Agreement shall be governed in all respects by the laws of the State of Florida and any litigation with respect thereto shall be brought only in the courts of Polk County, Florida, or in the United States District Court, Middle District of Florida, Tampa Division.

SECTION 16: Attorneys' Fees and Costs

Each Party shall be responsible for its own legal and attorneys' fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to this Agreement, including attorneys' fees, costs, and expenses incurred for any appellate or bankruptcy proceedings.

SECTION 17: Waiver

A waiver by either the County or the City of any breach of this Agreement shall not be binding upon the waiving Party unless such waiver is in writing and approved by the governing bodies of the County and the City. In the event of a written waiver, such a waiver shall not affect the waiving Party's rights with respect to any other or further

breach. The making or acceptance of a payment by either Party with knowledge of the existence of a default or breach shall not operate or be construed to operate as a waiver of any subsequent default or breach.

SECTION 18: Annual Appropriations

The City acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any agreement, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein contained shall prevent the making of agreements for a period exceeding one year, but any agreement so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the County's performance and obligation to pay under this Agreement is contingent upon annual appropriation.

SECTION 19: Entirety of Agreement

The Parties agree that this Agreement sets forth the entire understanding between the Parties as to the subject matter contained herein, and that there are no promises or understandings between the Parties other than those stated herein. This Agreement supersedes all prior agreements, contracts, proposals, representations, negotiations, letters or other communications between the City and the County pertaining to the matters stated herein, whether written or oral.

SECTION 20: Amendment

This Agreement may not be modified, added to, superseded, or otherwise altered unless such modifications, additions or other alterations are evidenced in writing signed by both the County and the City and approved by the governing bodies of the County and the City.

SECTION 21: No Construction Against Drafter

The Parties acknowledge that this Agreement and all the terms and conditions contained herein have been fully reviewed and negotiated by the Parties.
